Good morning I'm calling from the US District Court in DC and my name is Lawrence and this message is for Mr. Brian David here. I received a voicemail trying to confirm received your filing via mail and this call is to confirm that we did indeed receive your filing in the mail and it has been sent out to the judge for review. Just wanted to let you know that I'm sorry it took a little bit of time to get back to your call but this is just to confirm that we did receive it and that has been sent that to the judge for review. Thank you so much and have a great day.
