Dear Scott S. Harris, Clerk of the Supreme Court,
Hon. Justice Clarence Thomas,
Hon. Justice Brett Kavanaugh,

I would like to request that both my letter mailed to the Honorable Justice Brett Kavanaugh dated July 21, 2020 (Certified Mail tracking number 7019-2280-0000-8211-8179) and the letter mailed to the Honorable Justice Clarence Thomas (Certified Mail tracking number 7019-2280-0000-8213-3479) both be docketed publicly in PDF format in the case. Both letters are not ex parte as all Respondents have received a copy of each letter before the letter was mailed off to both Justices. Also since my mother emailed a photocopy of the Brett Kavanaugh letter to the “Justice for Brian D. Hill of USWGO Alternative News” blog, it is of public value and the general public including those at SCOTUS news reporting outlets should be able to review over the letter from the official record.

I also understand that your office does not have access to the chamber offices where such letters are forwarded to. So a copy of this request letter is printed for both the Honorable Clarence Thomas and Honorable Brett Kavanaugh. I did have friends tried to contact your office about making the

letters available as PDF files on your docket through the Public Information Officer but seemed to have failed as my family kept checking the public docket page so I am sending this letter making a formal request instead.

So please consider filing the Justice Kavanaugh letter and the Clarence Thomas letters publicly on docket in PDF formats. Those letters demonstrate important arguments of national importance that lawyers need to review over why the case should be of significance for the public interest. I am re-printing only one photocopy of that old July 21st letter and attaching to this letter so that the Clerk can easily scan it to the Supreme Court electronic docket site. Thank you!

Thank you for your time, service, and attention to this matter. God bless you. Where We Go One, We Go All!

Thank You,
Brian D. Hill
