Dear Mr. President Donald J. Trump,

I am faxing a 30 page letter that Roger Stone attempted to get to your attention before you left the White House on January 20, 2021. Roger Stone failed and I am not mad at him, it is not his fault. I know it is not his fault. I need your help. I am faxing this letter to you as to why I have requested a pardon since early 2017.

I am being illegally held hostage by the United States Marshals Corporate Entity, convicted by an illegal Court acting unlawfully since my original charge on November 25 or 26, 2013. I was unconstitutionally convicted and am being held hostage by a Federal Court acting under Admiralty Law or Maritime Law, Middle District of North Carolina, UNITED STATES OF AMERICA v. Brian David Hill, case no. 1:13-cr-435-1.

I was illegally and Unconstitutionally deprived of my Constitutional right to Writ of Habeas Corpus by the Corporation of the UNITED STATES OF AMERICA on December 31, 2019, by Offender Chief Judge Thomas David Schroeder who had committed high treason and refused to recognize that I have a right to prove my Actual Innocence to my wrongful conviction and charge. Cruel and Unusual punishment.

On December 18, 2020, case no. 20-6034, the decision of the HIGH TREASON committing Federal Judges became clear, The corrupt U.S. Court of Appeals for the Fourth Circuit ruled that I have no right to prove Actual Innocence because my 2255 Motion was filed untimely. I was illegally deprived of Writ of Habeas Corpus and that same Court ruled I only have four 1-year deadlines and had filed untimely, ignored the U.S. Supreme Court's ruling that Actual Innocence can overcome procedural defects in a Writ of Habeas Corpus petition. 8th Amendment right against cruel punishment violated.

After that horrible decision was made claiming that I have no right to prove actual
