NOTE: Copy will be faxed to Attorney L. Lin Wood as he can access CourtListener RECAP records and can access PACER.GOV CM/ECF and he can verify to you what I am claiming in this letter. If you do manage to become President again, you should file an Executive Order demanding that the U.S. Attorney acquit me of my conviction or that you fully pardon me for such an unconstitutional nightmare as is my entire Federal case.

Dear Mr. President Donald J. Trump,

I think it is great that you were acquitted with the second impeachment attempt against you.

Unfortunately I was never given such a luxury. I was only given Assistant Federal Public Pretender Eric David Placke and he only gave me one option, plead guilty or face 20 years of Federal Imprisonment. He sat on potentially acquitting evidence from US.

I tried to ask for private lawyers to come in and save me pro bono but to no avail. My family was told that for the jury trial for my Federal Criminal Case I would need at least \$300,000 to prove my innocence to a jury of my peers. That would include an independent computer forensic expert and that expert would have been able to find the download dates from eMule.exe being from July 20, 2012, and July 28, 2013.
