My son wants the Judicial blackmail investigated and he feels that it may also involve state judges in Virginia. Brian has been waiting for L. Lin Wood the attorney to provide him affidavits with the proof but so far he hasn't done that yet. He is concerned that Judges are being blackmailed in Virginia appeal courts, and that is why he is not being allowed to prove his innocence. He feels the Judicial system has become corrupted beyond repair due to blackmail or threats or bribery, and his belief on that has increased after what attorney Lin Wood said on twitter. The blackmail is illegal and needs to be investigated. Brian wanted me to forward this information to you and wants an investigation into whether the Judges involved in his case are being blackmailed to deprive him of all of his Constitutional rights guaranteed to him in criminal cases.

Hey Clerk,

I am Roberta Hill, Brian's mother. I am filing this through email on Brian's behalf due to his federal probation conditions where he is not allowed to use the internet. Since my son doesn't have the time to draft a paper pleading by the deadline of March 15, 2021, with Covid-19 it was more difficult for him to buy the necessary Ink cartridges to print out the pleading multiple times, and so he is having me file this pleading in his stead. My son is having me to serve the respondents through email and the certificate of service is in the PDF file of this filing.
