To All members of Congress: The torture of January 6 protesters, the same had happened to Brian D. Hill

This is a very serious issue when Federal Marshals contracted detention facilities torture federal prisoners into falsely pleading guilty to crimes they had not done. This is no longer an issue about a single Federal Criminal case, this is a case of MASS TORTURE, which violates the Geneva Conventions and the Nuremberg Code. This isn't even over terrorism anymore. Now they torture people over regular Federal Criminal Charges. I knew this was coming, I knew they would torture people over just any nominal Federal Law Violation Indictment. Now every member of Congress needs to see this YouTube video about the torture of a journalist, USWGO Alternative News, the evidence is accurate, medical records, Hazel Atlas Motions, Local Rules, the evidence is entirely proven and factual. Federal Marshals work for the DOJ, U.S. Attorneys for the DOJ, they have each others backs. They will torture Federal Inmates into helping Federal Prosecutors obtain guilty pleas, that is just how it is. This is systematic, and I have evidence of it, it is being spread to as many people as possible, I cannot wait for justice that may never come any longer, the truth is coming out. They even tortured Julian Assange of Wikileaks until he either kills himself or falsely admits guilt. John McAfee was likely going to be tortured too, the U.S. authorities were going to torture this man as well. This has to stop. They even tortured Matt DeHart and his parents had to flee with him to Canada but he was extradited and thrown into Federal Prison after being repeatedly tortured by the FBI. Why did Matt DeHart had to try to flee America? Because Federal Jails and Prisons torture people. Now they are torturing January 6 protesters, blinding them, beating them, spraying them with pepper spray, just torturing the living crap out of them to show America that torture is acceptable for any criminal offense allegation in a Federal Indictment. Federal torture.

Rep. Marjorie Taylor Green, Rep. Matt Gaetz, and others are concerned about the torture of Federal Inmates awaiting Jury Trials. I hereby submit this video as evidence to U.S. Congress, Federal witness Brian David Hill who is willing to be subpoenaed and testify. I ain't wasting your time here, here are the videos NOW:

Proof that Brian D. Hill; USWGO Alt. News, was

TORTURED into Falsely Pleading Guilty - YouTube

Proof that Brian D. Hill; USWGO Alt. News, is INNOCENT, being HELD HOSTAGE by Corrupt Federal Court - YouTube

<https://www.youtube.com/watch?v=GkvLiooKItY> - Video at over 10,000 views and rising. The American people are angry and want Congress to stop the torture of patriots, journalists.

Roger Stone, a friend of Donald Trump also vouched to help Brian Hill because Roger Stone knew Brian was a victim of evidence planting and evidence manufacturing, and he took [action to try to help Brian be acquitted](#) but corrupt lawyer stopped President Donald Trump from being informed before he left office on January 20. Roger Stone has vouched for Brian Hill, Brian is a certified VICTIM of Federal Corruption including perjury, obstruction of justice by destruction of evidence, fraud, and more fraud because of the uncontested fraud claims and validated by the Local Rules of the Court. See <https://justiceforuswgo.wordpress.com/2021/01/22/roger-stone-tried-failed-to-have-president-trump-pardon-brian-d-hill-of-uswgo-alternative-news/>

Here are statements from the Federal Victim, I mean Witness who said that the Feds will likely frame more innocent people with child porn because of the rampant fraud and corruption within our FBI and Department of inJustice. He is warning everybody that the Feds will plant and fabricate more evidence for more Federal Indictments to ruin more people, to destroy more Americans. Brian is a true patriot just like Pete Santilli. Brian ran and operated a website similar to Drudge Report and yet he also written his own informative articles like a real journalist back in 2009 to 2012 that even Reporters Without Border stuck up for him in 2011 whenever he was being sued by Righthaven LLC, Brian is a REAL JOURNALIST using a blog as a news platform, what am I saying, HE IS a REAL JOURNALIST. He was clearly targeted by malintent in the Feds.

Brian D Hill of USWGO Warns Feds will Frame Up People with Child Porn - July 13, 2021 (MIRRORED) - YouTube

https://www.youtube.com/watch?v=dkkFZB_MWPY

The Federal Court documents that Brian was tortured, he has more medical records proving torture but not all of it could be filed as it would be an additional high number of pages, possibly hundreds

and hundreds of additional pages which would anger Federal Judges with the proof that Brian was being tortured in Jail facilities. Brian was clearly tortured by the Feds in the Federal Contracted Jails.

The torture evidence is being revealed to the entire world, all over the world, even distributed on BitTorrent file sharing network as 2255 case files was being shared on BitTorrent websites as they cannot be censored by Big Tech. The torture evidence will be shown everywhere. Congress must act to rectify all torture by Federal Marshals and those contracted by Fedral Marshals, they need to stop the torture of regular criminal defendants including the January 6 protesters at the U.S. Capitol.

First they torture suspected terrorists but We didn't say anything because We weren't one of them. Then they torture those accused of child

pornography whether guilty or framed, and We didn't say anything because We weren't one of them either. Now they are torturing January 6 protesters. Now they come for me or you because we didn't speak up for stopping any of their inhumane treatments. Now you can be tortured, any of you can be tortured, sorry. You didn't speak out against torture and now torture happens in American Detention Centers on a day to day basis. Sorry Congress!!!! You can still stop the torture being conducted by the U.S. Marshals.

Factual Statement in support of Motion to Withdraw Guilty Plea:

The filings which were all made prior to Brian accepting guilt and going along with sentencing, Brian didn't know about the download dates in the NC SBI report, and neither did he get to read over the discovery materials with a fine tooth comb prior to his false guilty plea. How ridiculous.
