

There is also Virginia Court of Appeals case law which can show that Brian Hill is innocent. Appellate Court cases:

- (1) A.M. v. Commonwealth of Virginia, Alexandria, Court of Appeals
- (2) Kimberly F. Neice v. Commonwealth of Virginia, Teleconference
- (3) Kenneth Samuel Moses v. Commonwealth of Virginia, Salem

Brian Hill was threatened by a man wearing a hoodie to get naked on the Dick and Willie trail (at night) or his mother Roberta Hill would get murdered. Brian cooperated with Martinsville Police before his arrest (body camera video footage also proves this), voluntarily turned over the camera and SD card, and told R. D. Jones the truth about the man in the hoodie. Brian was never aroused when naked, he never masturbated, he has OCD hand washing routines. The Martinsville Police misunderstood Brian's Autism. Brian ran because it was dark, he was scared that the man in the hoodie sent people after him. Brian Hill is innocent of indecent exposure.

Respectfully filed with the Court, this the 28th day of January, 2019.
