Hey Tracy Beanz and Lin Wood,

Brian received a letter that his judicial complaint was received and had been filed against Chief Judge Schroeder and Judge Osteen. I thought that Attorney Lin Wood should be notified as well as the Digital Soldiers.

It will be interesting to see both Judges' reactions to the Lin Wood tweets if they ever see them. I don't know how the complaint process entirely works but those who are blackmailed with the child rape and murder will probably get very angry that they know it's all slowly coming out against them. No judges should be blackmailed. If my son was dealing with a blackmailed judge assigned to his case, then my son's conviction in Court needs to be annulled, legally annulled.

It is interesting that they didn't email the receipt of my son's complaint but sent a letter instead. It's good to know that their email address is not broken.

Brian did file a Judicial Complaint before as well as his grandparents but none of them brought up the Lin Wood tweets. Those tweets did not exist last year in the public record. It will be interesting to see how the Chief Judge of the Fourth Circuit will handle the complaints. That judge could be on those video blackmail tapes too and he will protect his own if he is being blackmailed as well. Whatever the case may be, somebody will eventually blow the whistle and then my son's suffering will end.
