Since Petitioner is proceeding pro se without representation of counsel and under Supervised Release conditions not allowing Petitioner to use the internet, email service was made on the Respondents by Assistant Roberta Hill who is Petitioner's mother and she is allowed to use the internet.

Disclaimer: The only reason Petitioner types up JusticeforUSWGO.wordpress.com, JusticeforUSWGO.NL, USWGO.COM is to promote a political social justice website that his friends/family operate to ask for justice for Brian D. Hill, the former alternative news reporter of USWGO Alternative News, and does not mean any access to the internet was used to type up that address in any brief or letter or pleading. Petitioner does not have access to email and cannot email any of the Respondents in this case. Roberta Hill can email the Respondents in this case on Brian's behalf for the purpose of being as expeditious as the manner used to file the document with the Court. Same with any video or YouTube links and descriptions or titles with the links in the original filed Petition. Those were researched by Brian's family and/or friends which includes Roberta Hill, Stella Forinash, and Kenneth Forinash but not limited to only those family members or friends.

Service of process was done by mailing. On December 1, 2021, the service was done by depositing the mailings in the drop-off box or drop-off location or at the U.S. Post Office with the postage prepaid or paid for at the Post Office. Two envelopes were mailed on December 1, 2021.

Since three respondents 1-3 are Assistant U. S. Attorneys', for the Middle District of North Carolina all likely working in the same office building address, a single mailing envelope containing three copies of the PETITION FOR REHEARING shall serve the three counsel attorneys for Respondent: United States of America at the same address and the certified mail tracking number was **7021 0350 0000 9720 0059**.

The U.S. Solicitor General was served one (1) copy of the PETITION FOR REHEARING by a mailing under certified mail tracking number **7021 0350 0000 9720 0042**, on December 1, 2021 by depositing the mailing on December 1, 2021 with the U.S. Postal Service.

That should serve all known Respondents and satisfy the service requirement by the U.S. Supreme Court.

Proof of email service by Petitioner's assistant Roberta Hill is attached to this Affidavit of Service.

Declaration pursuant to 28 U.S. Code § 1746.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 1, 2021.

DATED this 1st day of December, 2021.

Respectfully submitted,

*Brian D. Hill*

U.S. Solicitor General Elizabeth Prelogar, AUSA Ramaswamy, AUSA Angela Miller, AUSA Alsup, (Respondents)

This is pursuant to the Rule 29 of the Supreme Court by serving a copy of a petition on my son's behalf of what my son is filing in the U.S. Supreme Court. It is being mailed to all of you by my son, Brian Hill. He wants to make sure that I email you a digital copy as well for his Affidavit of Service so that you can have a text searchable copy which is easier to respond to, just to be fair to all of you despite how unfair my son has been treated since he was charged in the U.S. District Court in 2013. We have the evidence for the claims made in this Petition for Rehearing, evidence of possibly federal crimes committed by Clerk Scott S. Harris by covering up or concealing my son's emergency motions. Emergency motion attached too so that you all understand what was covered up here. Evidence is also stored in secret locations so that nobody can try to take away this evidence and make it disappear. The U.S. Attorney covered up the State Bureau of Investigation forensic document pdf files and print-outs because of the download dates of child porn supposedly downloading for 11 months and 8 days after the Town of Mayodan seized our computers (as published in <https://wearechange.org/case-brian-d-hill/>), including my personal electronic books. Never got any of that back. A lot of cover ups and lies going on and my son Brian wishes to expose it all and address the lies of the U.S. Attorney's entire case of fraud and contradictions. My son had told me that he will fight his case all the way until there is no more options left.

**Rule 29: "Ordinarily, service on a party must be by a manner at least as expeditious as the manner used to file the document with the Court. An electronic version of the document shall also be transmitted to all other parties at the time of filing or reasonably contemporaneous therewith. . ."**

So here is the email with the attached Petition for Rehearing which he will mail to the U.S. Supreme Court today on December 1, 2021. He wanted me to send you a copy by email to be as expeditious as possible in giving you any opportunity to respond if you wish.

This Petition for Rehearing where my son is revealing that Scott S. Harris, the Clerk of the Supreme Court, likely at the direction of the Deep State or criminals inside of the Department of Justice by conspiracy or neglect of duty, had purposefully destroyed or covered up my son's EMERGENCY MOTION FOR LEAVE OF COURT TO REQUEST A RESPONSE FROM RESPONDENT(S) and his rule 15.5 letters in violation of "18 U.S. Code § 2071; Concealment, removal, or mutilation generally". Copies will be forwarded forthwith to Senator Rand Paul, Senator Tom Cotton, Senator Ted Cruz, and others. The Clerk of the U.S. Supreme Court purposefully destroyed or covered up filings by Brian David Hill with criminal

intent of impeding my son's ability to prove his Actual Innocence in the U.S. District Court by throwing out his petition in the Supreme Court. This violates the case laws of the Supreme Court and they are getting away with all of this, making my son suffer for a crime he did not do for the rest of his life, by fraud and misinformation.
