First Motion for Leave of Court in US Supreme Court 21-6038 (9) FINAL and JA.pdf (~733 KB)

ATTN: Senator John N. Kennedy, EMERGENCY MATTER, PETITION FOR REHEARING TO BE FILED TODAY

John N. Kennedy's Office is made aware of Brian D. Hill's filing of Petition for Rehearing in the U.S. Supreme Court. Because it has facts which will put the Clerk, Scott S. Harris, at risk of reprimand or censure, he may try to cover up Brian's timely filed Petitions for Rehearing. This is just for case no. 21-6038. Brian will file all three petitions as he had promised the Clerk.

So please make sure that Senator John N. Kennedy is given notice and watch this very carefully to ensure that the Petition for Rehearing is not covered up or concealed or destroyed or mutilated. If they can do this to one American patriot, they can do this to anybody and everybody they want. They can just paper shred filings they don't like. Never file them in the Court, period

The Supreme Court is useless John N. Kennedy and his staff if the Clerk can just decide to throw away papers or shred them or get rid of them instead of filing them or returning them to the Movant for not complying with a particular rule. The Supreme Court cannot function anymore with these cover ups and crimes being committed. There needs to be a check on them by Congress. There needs to be a stop to these cover ups by the Clerk, this should not be happening in the United States of America. This is not supposed to be a third world country under a despot. We need to stop this now. When Brian's filings get reviewed by the Clerk's Office, despite how polite Brian is in his Petition for Rehearing with the facts, they will likely throw a tantrum over this and try to destroy those petitions.

If they do destroy Brian's petitions, Scott Harris needs to be inquired, arrested, and compensate Brian David Hill for the loss of money, postage, paper, resources, and carpel tunnel syndrome (tendonitis) caused by all of the loss of his hard work and effort. These criminal activities need to stop and they need to stop NOW. Nobody in a Federal Courthouse should ever engage in cover ups or destruction of evidence or records or filings or papers or other things unless permitted by law. New filings are not supposed to disappear. Phone calls not returned by the Clerk amounts to neglect of duty. Cowardliness in the face of the enemy U.S. Solicitor General appointed by Joe Smoe Biden, the worst President in U.S. history.

America is not a third world country. We have laws, checks and balances. The Clerk should not block any more filings allowed by a Rule of the Supreme Court. This is depriving Brian David Hill of due process under the color of law which is another federal crime under 18 U.S. Code § 242.

God bless you,
Stanley Bolten

This is pursuant to the Rule 29 of the Supreme Court by serving a copy of a petition on my son's behalf of what my son is filing in the U.S. Supreme Court. It is being mailed to all of you by my son, Brian Hill. He wants to make sure that I email you a digital copy as well for his Affidavit of Service so that you can have a text searchable copy which is easier to respond to, just to be fair to all of you despite how unfair my son has been treated since he was charged in the U.S. District

Court in 2013. We have the evidence for the claims made in this Petition for Rehearing, evidence of possibly federal crimes committed by Clerk Scott S. Harris by covering up or concealing my son's emergency motions. Emergency motion attached too so that you all understand what was covered up here. Evidence is also stored in secret locations so that nobody can try to take away this evidence and make it disappear. The U.S. Attorney covered up the State Bureau of Investigation forensic document pdf files and print-outs because of the download dates of child porn supposedly downloading for 11 months and 8 days after the Town of Mayodan seized our computers (as published in <https://wearechange.org/case-brian-d-hill/>) , including my personal electronic books. Never got any of that back. A lot of cover ups and lies going on and my son Brian wishes to expose it all and address the lies of the U.S. Attorney's entire case of fraud and contradictions. My son had told me that he will fight his case all the way until there is no more options left.

Rule 29: "Ordinarily, service on a party must be by a manner at least as expeditious as the manner used to file the document with the Court. An electronic version of the document shall also be transmitted to all other parties at the time of filing or reasonably contemporaneous therewith. . ."

So here is the email with the attached Petition for Rehearing which he will mail to the U.S. Supreme Court today on December 1, 2021. He wanted me to send you a copy by email to be as expeditious as possible in giving you any opportunity to respond if you wish.

This Petition for Rehearing where my son is revealing that Scott S. Harris, the Clerk of the Supreme Court, likely at the direction of the Deep State or criminals inside of the Department of Justice by conspiracy or neglect of duty, had purposefully destroyed or covered up my son's EMERGENCY MOTION FOR LEAVE OF COURT TO REQUEST A RESPONSE FROM RESPONDENT(S) and his rule 15.5 letters in violation of "18 U.S. Code § 2071; Concealment, removal, or mutilation generally". Copies will be forwarded forthwith to Senator Rand Paul, Senator Tom Cotton, Senator Ted Cruz, and others. The Clerk of the U.S. Supreme Court purposefully destroyed or covered up filings by Brian David Hill with criminal intent of impeding my son's ability to prove his Actual Innocence in the U.S. District Court by throwing out his petition in the Supreme Court. This violates the case laws of the Supreme Court and they are getting away with all of this, making my son suffer for a crime he did not do for the rest of his life, by fraud and misinformation.
