Anand Prakash Ramaswamy of U.S. Attorney Office, Angela Miller of U.S. Attorney Office, John Alsup of U.S. Attorney Office, Witness Attorney L. Lin Wood,

Re: 1:13-cr-435-1, 2255 case Civil Action No. 1:22-CV-00074; Brian David Hill v. United States; Middle District of North Carolina

I am Roberta Hill. My son Brian David Hill wanted me to send you PDF copies of his new mailed 2255 case pleadings such as his mailed (to be filed) letter to the magistrate Judge Joe L. Webster on the government not contesting Brian's motion to reconsider the judge's court order dated March 2, 2022 (M.D.N.C. L.R. 7.3(f) and (k)). He had mailed the pleadings today on April 11, 2022. I drove him there to drop off his mailing. Then there is also the appeal brief being filed today in the corrupt Fourth Circuit U.S. Court of Appeals which pedophile John Roberts of the Supreme Court is assigned to. How interesting John Roberts of the Supreme Court is named two times in the Lolita Express airplane flight logs for Jeffrey Epstein. The flight logs on federal court record despite Praying Medic in 2020 not wanting to believe that John Roberts was compromised.

The government hates having to go through scanned pages so an electronic PDF text searchable file copy was generated before it was printed out. It will be emailed to the government attorneys for convenience and to make it easier for the Government to sift through the pleading. This is a true and correct copy of what was mailed to the Clerk.

Brian is also requesting that attorney L. Lin Wood be allowed to file in the Middle District of North Carolina through CM/ECF to respond as a witness if Anand Prakash Ramaswamy ever lies, defames, attacks, or makes false statements against L. Lin Wood. If the government attacks the character of this attorney, he should have a right to file a response in this criminal and civil case. We all know that Ramaswamy lies about Brian and will likely lie about attorney Lin Wood. We all feel that Lin Wood will be lied about because the Department of Justice is protecting the pedophiles at the top because President Joe Biden is a pedophile, along with his son Hunter Biden with the child porn images that attorney Rudy Giuliani had explained on Television has a copy of that hard drive because the FBI refused to even seize that hard drive with child porn from Hunter Biden when attorney Rudy Giuliani offered the FBI to take that as evidence but they refused.

The U.S. Attorney doesn't care about fighting child porn, that is a lie. Ramaswamy is a liar, he doesn't care about the child rape and murder. All he cares about is winning every one of his prosecutions directed by the Shadow Government along with Barack Obama to have a good track record for the private corporate sector. All he cares about is looking good and winning. All for the DEEP STATE, all for the NEW WORLD ORDER who character assassinated my son. You will lie about my son Ramaswamy is what benefits you. You don't care about the Lin Wood statements on Twitter. We all know Brian David Hill = Innocence.

Copy of this email is given to media members because we don't trust the DOJ anymore, we have lost trust in the DOJ since the corrupt federal judges started lying and attacking my son. Brian D. Hill the former USWGO

alternative news reporter.

Thanks,
Roberta
