Re: CA4 case no. 22-6501; 1:13-cr-435-1, 2255 case Civil Action No. 1:22-CV-00074; Brian David Hill v. United States; Middle District of North Carolina

I am Roberta Hill. My son Brian David Hill wanted me to send you PDF copy of his new mailed informal opening brief pleading. He had mailed that pleading today on April 29, 2022. I drove him there to drop off his mailing. I cannot give the tracking number out of fear of sabotage or interference.

Narrated video about my son Brian Hill being set up and the timeline of events. The Set up of Reporter Brian D Hill - The timeline of events - YouTube - <https://www.youtube.com/watch?v=cqXdFFqDBhs>

We tried to tell Mr. Placke about all of this at the very beginning but he ignored everything. We can't blame you for everything but it was Brian's court appointed lawyer. We understand your position as a lawyer Anand. But there is State Bar rules that you cannot prosecute and convict in a case which was unfounded, and that you must tell the truth under State bar rule 3.8. Placke didn't tell you everything and he screwed everything up.

Copy of this email is given to media members because we don't trust the DOJ anymore, we have lost trust in the DOJ since the corrupt federal judges started lying and attacking my son. [Brian D. Hill the former USWGO alternative news reporter](#). Roger Stone fought to pardon my son in early 2021 and have him acquitted, but he failed because of January 6, 2021. Roger Stone wanted to give my son's actual innocence affidavit to President Trump since December, 2020. Roger Stone had it planned and my son was on the pardon list but his name was not in the condensed pardon list, and Roger Stone failed after that. If it weren't for January 6, my son would have been pardoned by Trump and would have been able to move on with his life. He wants his life back and walk away. If he cannot walk away, then he is a slave, a forever held hostage by the elite. He doesn't want to be held hostage anymore,

please do not hold my son hostage anymore. Brian David Hill = Innocence.

I am aware of Stanley Bolten being blocked from sending emails from proton mail to anybody, possibly because the DOJ pressured proton mail to censor Stanley. **All we as his family wants is Brian my son to be acquitted, and have his life back. He wants to walk away from this political corruption and not fight the new world order anymore.** This case keeps forcing my son to fight over and over again.

Please consider having Brian waive his right to sue the government and please just acquit my son and let him have his life back. He is innocent.

Thanks,
Roberta
