Duane Hansen

Retired National Recruiting Representative for IBM. Songwriter / Artist / Family History Consultant.

August 9, 2013, Duane worked with Robert but they were at different companies

Robert has a great ability to investigate and solve problems quickly and efficiently while remaining calm and unfazed. He has provided me with quick solutions to both physical and computer issues. He can cut through the fog of problems with practicality and simplicity. He does not over-complicate issues and communicates with clarity and in simple, understandable terms. He is cordial, friendly, polite, respectful, physically strong and

Alan Bridge

Retired

May 14, 2013, Alan worked with Robert but they were at different companies

Robert has excellent skills with computers and various computer programs including excel, powerpoint, etc. He is very good at problem solving and identifying weaknesses in an organization.
