Martinsville, VA Police Department

Mr. G. Edward Cassady (Martinsville, VA police chief),

We are citizens of Martinsville, VA and before September, 2018 had nothing but good things to say about our police department. We felt that we were living in a good city (town) that we could trust our police department. Our grandson, Brian David Hill had a terrible encounter with a police department in North Carolina and was set up with child porn on his computer in 2012. He moved to Martinsville, VA in 2012 and refused to ever go back to his home where he had lived for over 7 years. He is on the sex registry due to this federal charge and is under probation. We have the proof beyond a shadow of a doubt that he is innocent and never viewed or knowingly downloaded child porn. We couldn't afford the \$300,000 it would take to defend him in court, so he was appointed an attorney who ignored all of our proof at the time and talked Brian's family into telling him to take the guilty plea so he could get out of jail and come home under probation. Not knowing what else to do, we talked Brian (who was innocent and fighting this all the way to prove his innocence) to say "guilty". By 2017 we had all of the proof of his innocence, still could not afford an attorney and no one came forth pro bono, so our entire family submitted Brian's 2255 to the federal court in NC in November, 2017. Anyone who would take the time to read this and look at all of the proof would know that he is innocent.

We are still waiting for an answer from the court 16 months later, and Brian was still on probation at the time of his encounter with the Martinsville, VA police department. Brian has brittle type 1 diabetes requiring insulin shots and blood tests several times a day and at night which causes his blood glucose to go way up and way down each day and has had this since he was one year of age in 1992. He has had seizures since he was 2 years of age, has had PDD and autism diagnosed since he was 2 years and 4 years which required legal documents each year in school. He has had severe OCD and anxiety since the age of 12. A few months ago he had 2 seizures in one night so his mom started getting only 6 hours of sleep a night to check his blood glucose sooner and hopefully avoid anymore seizures.

This encounter that happened to Brian in September was not like Brian at all. Being in the nude in public and taking photos of himself is something he has never done. He has never left the house by himself day or night to go out walking by himself. What was really strange is that this was at night, and he was alone and miles from his home and was confused. Brian has never driven a vehicle because his blood glucose goes down fast causing insulin reactions or seizures. He is very intelligent. He can go for weeks not even acting like he has autism, and then there are other days that he is not in the world and is totally autistic. We never know what each day will present. He has been on the Virginia medical waiver which requires 40 hours of paid assistance each week since 2012 and on SSI disability since February, 1992 when he was 21 months old. Really he requires 24 hours of assistance, and what happened in September is proof of that. REACH (autism in VA) and the Piedmont Community Services will be involved in his case when he is released from jail, and they are working on an emergency DD waiver (for his developmental disability – autism spectrum disorder) for him because he needs a lot more care than his family can give. We have never known Brian to hallucinate, but when he described

what happened, it sounded at first like it was an hallucination, but he still to this day says that guy in the hoodie who sounded like a white guy was there, threatening his mom and told him if he didn't get in the nude, he would kill his mom, so Brian did all of this to save his mom's life. He was alone without his family to help so didn't know what to do and without thinking at all just did everything that guy told him to do. This presents more questions: Did the police make any attempt at all to see if there was a guy in the hoodie around the Martinsville trails? They did the right thing to take Brian to the hospital. Did the hospital check to see if there was anything like carbon monoxide in his system or anything that would cause him to act in such a bizarre way? The Martinsville Hospital should have on record that he has autism, brittle diabetes, seizures, anxiety and OCD as he was a patient in the hospital in December 2013. They should also have on record where he had a bad fall a few months before this, and they put staple type of stitches in his forehead. He should have been admitted to the hospital and given a better examination. If this had been an elderly person with dementia or alzheimers, would this person have been arrested? How much training does the Martinsville, VA police department have dealing with someone younger with autism? Due to this arrest, it was considered a probation violation, and Brian is at Butner in NC right now for almost 2 months having a federal court order examination.

Please show some respect for this young, disabled citizen of Martinsville, VA and reply to the 2 (and now 3) letters that he has sent to you asking to give a copy of the body cam footage to his court appointed attorney as he is fighting these charges in court. He told the police that he has autism and told you the same thing twice in letters. We have made a copy of his disabled DMV card with the autism information of a permanent disability which can cause confusion and the episode that happened to him in September, 2018. We have retyped his letter to you so we can have a typed copy, and we're sending his hand written request in this letter. He will be leaving Butner about March 25, so please respond as soon as possible. He has been waiting almost 2 months for your response and has sent that to you twice and was very respectful.

Sincerely,

Brian David Hill's grandparents

Enclosed 10 pages plus this letter – please respond to Brian David Hill at the address he provides before March 25, 2019. We have copies of all 12 pages in this envelope and are making sure that someone in this police department signs for it and have tracking information as well, and it is addressed to you. Thank you.
