Clerk of Circuit Court for the City of Martinsville,

CC: Glen Andrew Hall, Esquire.

CC: Judge Greer, so that he can start examining the evidence, cross referencing the citations

I am Roberta Hill, Brian's mother. I am filing this Motion for setting aside or relieve defendant of judgment, as well as two other evidence filings in support of Brian's motion. It is all being filed through email to you on Brian's behalf due to his federal probation conditions where he is not allowed to use the internet. He is having me file this pleading on his behalf. My son is having me to serve the respondents through email as well and the certificate of service is at the end of the PDF file. This email to the Clerk with the Respondents in the email message headers prove to the Clerk that I had served the Respondents a copy of these pleadings, and may also be faxed as well by Brian D. Hill in the event that email may fail

Filings are too big to attach, but this filing Judge Greer should have jurisdiction to act on this motion. My son has the case law demonstrating that Judge Greer has jurisdiction for this motion. My son is trying this motion under Virginia Code § 8.01-428 since it isn't barred by Rule 1:1.

Please Clerk download the linked pdf document filing and the Court will have the most important filings which Judge Greer should have jurisdiction over. My son had me do research after the opposition brief from the Attorney General last year, and I had found case law where this specific statute is not limited to Rule 1:1 and is a limited exception to Rule 1:1. Judge Greer can use the separate exhibits pleading pdf file to cross check the cited exhibit pages from the motion to look at the evidence my son prepared for the Motion to the

Court. Thank You. My son wanted to inform you all that if this motion ever succeeds to where this is acquitted or dismissed, my son plans to move on with his life and walk away from this. If there is any resolution at all, my son will ask for all remaining appeals to be considered moot to be dismissed as moot. My son only wants to be acquitted or get resolution. My son wants to move on with his life, because he is innocent. He is not here filing these things to be abusive as Andrew Hall accused him of on April fools day a few years ago. Brian is filing these things because he wants to be acquitted or get some kind of relief, because he is innocent. Understand why he files motions on different statutes, trying to figure out what works and what may work.

To Clerk: Please confirm by read receipt or response message confirming that you have received this. Thank You!
