Lin Wood and Pete Santilli,
CC: The Big Mig

Here are the final filings my son Brian Hill plans to mail out at the beginning of February, 2023. His petition for rehearing, motion for review and disqualification and his affidavit in support of his motion.

They concern Attorney Lin's claims about the alleged blackmail scheme of child rape and murder. They concern Pete Santilli's new claims about Evan Neumann corroborating the claims made in Brian's emergency application to recuse Chief Justice Roberts. They concern Robert's non-compliance with 28 U.S.C. 455. Since the claims come from both Lin and Pete, both have a right to be notified of these upcoming legal filings and have an opportunity to want them corrected if there are any factual issues here. Brian wants to make sure that any claims he mirrors in his pleadings which come from other people, they have an opportunity to object or want any corrections made.

Brian will soon start printing them within days to be mailed out next month to be filed timely. He is giving Attorney Lin Wood, Pete Santilli, and the Big Mig plenty of time to reply with any objections to these filings. Since QResearch and Pete is interested in Brian's case, Brian wants to fight right to the very end.

If you have any objections please feel free to reply to this email.

Thanks,
Roberta Hill
