Thank you Attorney Lin Wood.

I don't know who is Q and who is not Q, but I feel you should at least have a copy of the evidence of pure corruption. Corruption is at the federal level and is all the way down to the state level and local level.

You said Q is the truth. I want the truth, that is why I write articles. Brian Hill is a victim of the corrupt deep state cabal shadow government. These small corrupt actions in the city of Martinsville or nowheresville or some small town in North Carolina is not a remote incident of corruption. The feds were out to revoke Brian's probation and to frame him to even get him wrongfully on supervised release to keep him off the internet indefinitely, they wanted Brian imprisoned at all costs. They wanted revenge for him running USWGO Alternative News, and they would commit any kinds of crimes to get what they want. <https://web.archive.org/web/20120821043641/http://uswgo.com/>

God bless you Lin Wood. Where We Go One We Go All.
