See, Brian of USWGO Alt. News isn't afraid of being attacked or killed by the Feds/CIA anymore because he is innocent of his federal charge in 2013, Brian is willing to risk his life because he almost killed himself in December 2013 when he found out about the indictment against him and that Homeland Security was going to arrest him and that he was truly being framed aka set up for a crime he didn't do. Brian was almost going to not file the petition for rehearing out of fear he would be targeted severely, but I guess Brian is willing to continue fighting and keep exposing the blackmail scheme. Because Brian Hill is INNOCENT. If Brian was truly guilty of his charge and had zero evidence of innocence, he would have taken it like a man and get help for whatever mental issues it was, and do everything to show reform of himself and his behavior. Brian does have proof of innocence to all Federal charges from 2013 to 2018 probation violation, to his autistic meltdown in 2015 which triggered a probation violation for having an autistic meltdown sitting in a chair. **Brian is innocent of all charges. Pete Santilli should understand that or he ain't a real journalist. Alex Jones better understand that or Alex ain't a real journalist.** <https://wearechange.org/case-brian-d-hill/>. Brian is innocent, he has evidence, THOUSANDS OF PAGES OF EVIDENCE, audio evidence, photo evidence, video evidence. Brian is swimming in evidence, a sea of evidence. Q said Proofs are Important.

Brian D. Hill is willing to risk it all, risk being assassinated to clear his name. **Brian wants acquittal or the government can put him to death. As Patrick Henry said, GIVE ME LIBERTY OR GIVE ME DEATH. The Courts should let him have the constitutional right to prove his innocence since he had already proven it or they might as well put him to death since they already assassinated his character in the alternative media.**

**Brian David Hill = Innocence, let every QAnon know that.** Brian will face John Roberts for the demon he is in the court of law because **John Roberts is at the top with the U.S. DOJ holding Brian hostage to a sentence he should not serving. It is a hostage situation of corruption and crime by the DOJ and the NC SBI trying to keep a journalist off of the damn internet with probation conditions; when there is sufficient evidence of Brian being innocent of his federal criminal charge.** I also received word he is innocent of his supervised release violation which will come pretty soon with the high amount of evidence because he was not medically cleared on September 21, 2018 due to cover up by Dr. Brant Hinchman, corrupt Police Chief G. E. Cassady who had resigned or retired this month, and culprit JaCody Cassell of The Chimney Sweep.

Brian has proven his innocence, he has the names of the culprits for carbon monoxide poisoning and evidence destruction and cover ups, Brian is innocent of all charges including his supervised release violation.

Brian has the photos of the download dates in the SBI forensic report, he knows it was downloading for 11 months after his computer seized, impossible unless his computer was hacked before being raided or files were planted in real time or both. Maybe the SBI idiots just turned the computer on to

look for child porn files not knowing it was hacked then when they realized it they made sure to write down those download dates in case Brian wins in federal court, they were afraid of going to jail so they covered their butts by mentioning those download dates. Whatever the case is, Brian is innocent, a lot of proper procedures were not followed by law enforcement, same with the 2018 charge, no proper investigation was done, that is how they assassinate the characters of people they don't like, a frame up job, a set up. This is how it is done in the corruption world.

Read the forward of the email to the U.S. Attorneys and U.S. Solicitor General, proofs is everything. Pete Santilli said Evan Neumann corroborated the claims made in Brian Hill's pleading in SCOTUS, the claims by Attorney Lin Wood. Pete needs to own up to his claims. **God bless you all, Where We Go One We Go All. Alex Jones has failed Brian D. Hill, that is why he is with Q since 2018. Brian's 100% allegiance is to Q.**
