To Judicial Inquiry and Review Commission,

My only source of income is my SSI disability monthly disbursements. I am on a limited income. I cannot afford to mail over 700-800 or more pages of evidence to you. I tried to have Roberta Hill send to you through VACES but the Clerk informed her that it is not to submit a complaint and evidence to your commission, but was only for your commission to submit a complaint to the Supreme Court of Virginia.

So I will mail my complaint and supporting evidence to you, but I cannot afford to send over 700-800 or more pages of evidence on paper. Sending that many papers will be pounds of mailing, I would have to send you a very large box full of papers and dividers or bookmarks, it would take weeks to months to prepare everything, and I couldn't afford it anyways, I am too poor to mail almost 1,000 pages of evidence to you in some huge box probably costing me hundreds to mail to you, and your Commission would be annoyed of reviewing over 700-800 or more of physical papers/pages of evidence.

So I am mailing you a CD-ROM Disc with the following pieces of evidence. I will point to the most important files to prove to you my claims against Judge Giles Carter Greer. My complaint with the evidence included proves that this Judge needs to be inquired, there needs to be some kind of action, whatever action your commission is authorized to take. This judge is refusing to enforce his own court orders. This judge is refusing to do his duty, he is refusing to give due process of any kind, he ignores evidence, and he is allowing contempt of court multiple times from one party in the case.

This will be a short number of pages explaining what Canons of Judicial Conduct for the State of Virginia have been violated by the Hon. Giles Carter Greer.

**LETTER TO VIRGINIA DELEGATE REQUESTING AND

POSSIBLY IMPEACHMENT BASED ON EVIDENCE**

<b>ATTN: Delegate Leslie R. (Les) Adams</b> Virginia House Of Delegates, Room No: E205 Email: <a href="mailto:DellAdams@house.virginia.gov">DellAdams@house.virginia.gov</a>	900 E. Main St, Richmond, Virginia 23219 Phone: (804) 698-1016 Fax: N\A
--	--

To Virginia Delegate Leslie R. (Les) Adams,

I have evidence which may warrant an inquiry, investigation, and possibly impeachment against two individuals in your district who are politically corrupt. These individuals do not just deprive the citizens of Martinsville of their due process of law protected under the Virginia Constitution and Fourteenth Amendment of the U.S. Constitution, they are violating laws of both federal and state. I can prove this and your office has a right to conduct further investigation to make sure that you have all the evidence you need to seriously conduct an inquiry and possibly impeachment of the following individuals who committed high crimes and/or misdemeanors and/or malfeasance:

Individuals suspected of High crimes and/or Corruption:

1. Glen Andrew Hall, Commonwealth's Attorney, City of Martinsville
2. Judge Giles Carter Greer, Judge in Circuit Court, Martinsville

Virginia law describes grounds for impeachment as, "malfeasance in office, corruption, neglect of duty, or other high crime or misdemeanor."

The evidence can be authenticated and proven. Your office may talk with other sources to try to obtain any more information I do not even have access to, but I have evidence of one or more high crimes and malfeasance
