

**EMERGENCY REQUEST TO ROBERT F. KENNEDY JUNIOR
FOR ASSISTANCE IN RAISING AWARENESS OF AN
IMPORTANT ISSUE OF DEEP STATE GOING TO WAR WITH
BRIAN D. HILL FOR BEING AN AUTISTIC JOURNALIST
BLOGGER AND DEEP STATE TARGETING GOOD PEOPLE**

Monday, June 5, 2023

<u>ATTN: Robert F. Kennedy</u> <u>Jr.</u> Team Kennedy	P.O. Box 147 S Walpole, MA 02071
--	-------------------------------------

Robert F. Kennedy Jr.,

I, Brian D. Hill, was an autistic blogger from 2009 to 2012. I was all about standing up against the corrupt elite agenda by the Deep State Swamp and it's corruption. One of the reasons I was fighting the New World Order was because of my type one brittle diabetes caused by the vaccines given to me as a baby, and because Big Pharma has blocked me and other diabetics from ever any cures for diabetes. I fought against it because the Big Pharma disabled me permanently and then I hear how they want eugenics and want to kill off the useless eaters, and yet I am disabled because of the very people who call me a useless eater. That isn't fair of the elite to cause my disability by Big Pharma and then turn around and say I am a useless eater on government assistance. I am very smart and I refuse to accept being called a useless eater by the elites. I had ran USWGO Alternative News and had become a target of the Obama Administration and the CIA/NSA/FBI/DOJ Deep State armada. Here's the old Wayback Machine access of what I used to have, the blog I used to run. <https://web.archive.org/web/20120821043641/http://uswgo.com/> (Link given by family).

I have been damaged by vaccines and it wasn't just type one diabetes I

got because of my body having an auto-immune attack which attacked my pancreas causing permanent failure and thus I have type one brittle diabetes. The vaccines had also caused me to have violent autistic meltdowns which almost landed me in criminal trouble as a minor decades ago, and the fault was the public school system forcing me against my will as a kid to take the schedule of vaccines and I even had severe sickness and vomiting as a kid, and so it actually weakened my immune system. It took many years and alternative medicine to severely put an end to my autism meltdowns which were caused by Big Pharma. They wanted to damage me and then throw me and other autistic people in prison or jail out of what the vaccines had done to me and other autistic people. Like a double attack and exploit on me and other autistic people. They are exploiting the disabled and throwing autistic people in prisons across the country for simply their behaviors. I had met inmates which have had severe mental limitations, meaning those who have a more severe brain damage and/or autism spectrum disorder just sitting every day in prison or jail.

So I am sharing a short documentary (approximately 32-33 minutes) which I feel you need to look at using a standard Blu-Ray player which accepts DVD discs with Blu-Ray quality or the other disc has the video file of the short documentary with all of the facts which you need to know.

I have been a target of the CIA/NSA since I ran USWGO Alternative News from 2009-2012. They have threatened me and my family. I filed a FOIA Request in 2017 or 2016 asking the CIA for my case file, anything about myself, and they refused to do such without an executive order from President Trump. I then mailed a written request to President Trump to declassify my CIA file or let me look at it to see if they were lying about me or were involved in interfering with my constitutional rights in my federal criminal case or were directly involved in framing me and manufacturing evidence against me in my criminal case. I was blocked from getting President Trump to take any action. I had to go through Roger Stone who had agreed to help me but it was only on December, 2020, when he initially agreed to help me as long as I kept it confidential at the time but it failed because the CIA was spying on my text messages. Then the CIA or anonymous Deep State spook made it known by posting a comment to the

justiceforuswgo.wordpress.com blog after Trump left office that I will never get a presidential pardon and will never be acquitted no matter what I do, by saying certain people don't get pardons with a smiley face. So I had been a target of the CIA while they refuse to let me obtain records from FOIA about how the CIA has been targeting me and framed me with a crime I never committed to keep me off of the internet forever and take away my Freedom of Press and Freedom of Speech. They stolen my First Amendment right.

Look, the U.S. Probation Office knows I am innocent, and has witnessed enough junk going on in my federal criminal case, they know I wasn't given a fair deal, they know I have enough evidence in my federal case indicated that I was set up, I was framed, and I have suspected that the CIA is involved in what happened to me. They will make sure that I can never prove the CIA targeted me for over a decade, and even if I could prove the CIA targeted me for operating an alternative media political blog, they will use their control of blackmailing the federal judges (*as Attorney Lin Wood made it known that judges and officials may be blackmailed with Jeffrey Epstein type blackmail materials*) or threaten them or bribe them into keeping me convicted or charge me with Obstruction of justice for falsely pleading guilty. I was tortured and my nose broken, my clothes ripped off by the jail guards. The Federal Marshals knew a certain amount of the judicial corruption in my case. It has become a big problem and the CIA is at the center of all of this. The CIA needs to be investigated, they need to be sanctioned and all case files need to be reviewed by yourself or people who you can trust and be entirely reviewed by Congress. We need to hold the entire CIA accountable and look through every file (*to determine how many crimes were committed by our CIA and not even to protect National Security, framing people with sex crimes does not protect National Security at all, it endangers our National Security*) so that they can stop unconstitutionally targeting me and my family, as well as other people they are targeting as well.

I am aware that the corrupt CIA/NSA Deep State killed John F. Kennedy for simply being a real President. They unconstitutionally killed your uncle and the goons who did the deed had committed a treason against our great country by that assassination for simply JFK being a real

President. JFK was wrongfully killed for standing up for what he believed in. They have hijacked our government and corrupted our Supreme Court, they have corrupted the Federal Courts, they have corrupted the DOJ, they have corrupted the state courts who commit federal crimes and do nothing about local corrupt judges who commit federal crimes, and at the end of all of this, the federal judges are corrupt. They killed a good man (JFK) who wanted to splinter the CIA into a thousand pieces and scatter them to the winds. They (CIA/NSA/DOJ/FBI) targeted me but instead of murdering me, they tried to kill me and my mother with carbon monoxide poisoning and conducted character assassination operations against me. I have evidence from both the feds and the Martinsville Police Department, I have evidence I was targeted by the feds and cover ups have been going on as far as the federal case to the 2018 state case against me. Medical lab tests ordered then covered up without explanation, nobody who is covering things up ever gets in any trouble, nobody gets in trouble except me the one who is being targeted for years. The CIA has been covering up so much in my criminal cases, they are trying as hard as they can to end me permanently. I am being protected by the white hats including ones in the U.S. Probation Office but if the white hats ever go away, then I am a dead man or by the time they could be through with me I could wish I were dead. They are ruthless and nasty people from the Feds. There are good people in the Feds too but they are powerless or their hands are tied. So I need somebody who is running for office to investigate the CIA, entirely investigate them, all case files including top secret, everything must be investigated at the CIA and they need to be temporarily shut down while files are being combed through. We need this, we need to hold them accountable if we ever want to see our National Security strengthened by bringing back credibility and honor in our broken government. We need to hold the bad guys accountable once and for all.

I want to push for an END to the corruption in the CIA, NSA, DOJ, and FBI. I am pushing for criminal investigations and accountability of the corruption in the CIA, NSA, DOJ, and FBI. All I ever wanted was accountability and justice, to investigate the Deep State, to drain the swamp. Many law abiding Americans ever wanted was justice and freedom.

My freedom was taken away forever after I was framed with a crime that I did not commit. I have asked every possible government agency for assistance and every one of them denied my request to investigate or do the right thing. Nobody seems to want to investigate out of fear of being retaliated. I am on a hamster wheel getting nowhere. I can file up to 100 lawsuits pro se if I ever had to but if I ever did then none of them would go anywhere. I am stuck as chuck. This is a major damage to our democratic republic. I cannot get anywhere no matter what I do or say.

I have autism, they (the Feds) tortured me, videotaped me while I was ordered to strip naked and the guards giggled while the federal jail guards ordered me to touch my genitals and they held the video camera looking happy and that was in December, 2013. Other federal sanctioned jail guards kicked my nose, told me “I WILL RIP YOUR CLOTHES OFF, I WILL FRY YOU LIKE A TURKEY!!!!” and they left my diabetic blood sugar low where I risked dying in 2014. They broke my nose after kicking me in the face after I yelled allegations that the jail guards worked for North Carolina State Senator Phil Berger Senior. Of course Phil Berger Junior was involved with Guantanamo Bay torture and/or detention facility in U.S. territory in Cuba as a former District Attorney. That means likely Phil Berger had a CIA connection and used the CIA to come after me ever since. Then as they (Orange County Jail) ran down the hall carrying me while bleeding before ripping my clothes off as they promised to had me naked in a windowed cell where other inmates could see my naked body, blood dripping out of my nose with no running water in that cell, yelling that I was Brian D. Hill of USWGO Alternative News and I was set up with a certain kind of material. This incident happened before I took a plea agreement when offered time served. I was not allowed to see all of my discovery evidence material until after I had falsely plead guilty. I was tortured into falsely pleading guilty and be stigmatized. Having support from the alternative media taken away from me. I was tortured into falsely pleading guilty, this I can prove to you. I have plenty of witnesses who can give you federal affidavits or state affidavits. I have the medical records and diabetic logs from the jails medical. Whatever is needed to prove to you what the feds have wrongly done to me for over 10 years without any real reprieve in the legal system.

I wanted justice, so I had started a new short 33 minute Documentary. It is non-commercial. I am not here selling discs. I am here to seek justice against the Deep State who targeted me and ruined my life. I am mailing you two Blu-Ray discs. One which can be played on any standard Blu-Ray player with AVC-HD DVD support, and another disc with the 1080P High Definition MPEG-4 file. I am mailing you this documentary with the facts, and I have the evidence, I have the federal court filings and they can be access on CourtListener, I have it all. I have so much evidence, I am swimming in it. Who cares about evidence, right??? not the corrupt federal judges. **The corporate media refuses to cover my case.**

I had produced the documentary entitled: **The DEEP STATE can Frame You - the Documentary**

My family gave me the link to give to you as I cannot access links because of the Feds holding me hostage in the corrupt U.S. District Court system. Here is the link: <https://rumble.com/v2ozhp6-the-deep-state-can-frame-you-the-documentary.html> I need to raise awareness and don't have the corporate media backing me. I do not have the outlets to make it viral.

I noticed that the corporate media is not too fond of you RFK Jr. because you tell the truth and not just read off a propaganda script. So you understand that the truth does not matter to the corporate media.

I have the evidence for my federal case which proves the claims of myself in my documentary. I am dealing with the Deep State and their alleged blackmail of federal judges. The federal judges refuse any investigation into such Jeffrey Epstein blackmail of possibly themselves. The corrupt Judicial Council refuses to conduct any investigation into the alleged blackmail tapes by Jeffrey Epstein who had blackmailed possibly any federal judges who keep depriving me of all of my constitutional rights. The Lizard Squad obtained those blackmail tapes and were given to a source who likely contacted Attorney Lin Wood. I wanted to prove the judge involved in my case was blackmailed. To no avail. I even confronted John Roberts with the claims and he manipulated SCOTUS to block my Certiorari petition and Petition for Rehearing.

I was targeted in such a way where I was character assassinated. Just like how they (Deep State) are trying to assassinate the character of yourself by calling you names and defaming you. Just like how they (Deep State) are trying to assassinate the character of Donald Trump, and anybody else who just wants America to be a great free country, a country who helps the poor and yet has prosperity and great ideas. We are not a perfect country but we do the best we can.

I was targeted by the CIA/NSA/FBI/DOJ Deep State armada. I believe they, the Deep State had framed me, hacked into my computer, lied about my character, refused to give me a fair trial, refused to comply with the U.S. Constitution, they refused to give me my Constitutional rights, and they threatened me with perjury and obstruction of justice charges for me falsely pleading guilty if I ever am found actually innocent of my wrongful conviction. They stonewalled me from getting access to my discovery evidence materials and had a federal judge state that I cannot get access to my own discovery materials in my criminal case, and that was to cover up any evidence proving my innocence. Cover up, cover up, cover up. I am sick of it. Endless corruption and cover ups by the Feds.

I even went as far as asking Roger Stone to help me get a Presidential pardon, and he was very close. In January, 2021, the January 6 incident happened and Roger Stone reassured me by text message that he was still working on it. Then around the time when Donald Trump left office, I was told by Roger Stone that I was not on the final presidential pardon list. So I lost being able to have myself pardoned out of the judicial corruption holding me hostage. **They (Deep State) are continuing to hold me hostage and refuse to let me go. I am innocent, they do not care.**

I need somebody with a voice and a large audience. I am desperate here. So I need your help and sympathy. I would like to request you to post my documentary on Truth Social, on Twitter, anywhere, and interview me and vet me and my information, vet my documentary and you can vet all federal court documents and particularly the specific federal court document pages as to my claims in my documentary. You can vet the documentary by

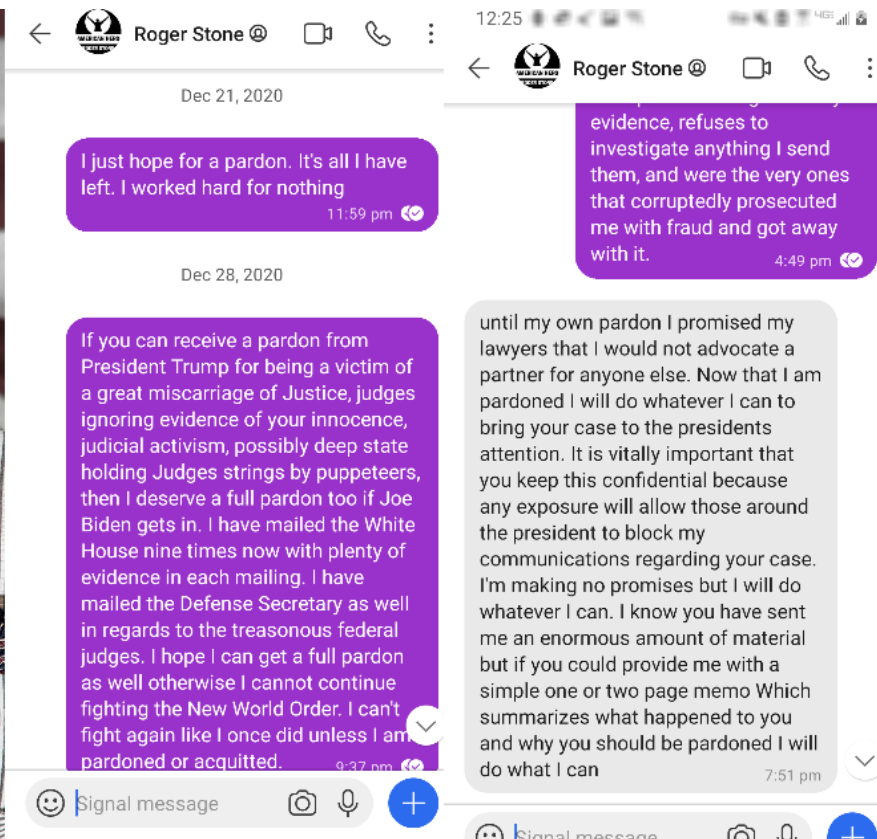

watching it then have your staff investigate my claims and find the witnesses necessary to prove my claims to you.

Heck you can make copies of my documentary in MPEG-4 (.mp4) format and give to anybody who may be able to untangle this web the Deep State trapped me in. Maybe you know some good white hats in the CIA or NSA or DOJ, maybe you know who may be able to save me from this judicial nightmare of character assassination. They took away my right to vote, took away my right to use the internet, took away my Freedom of Speech and Freedom of Press with a smile on their faces, took away my right to hold public office, took away my right to ever own a gun. I was never charged with any violent crime. Doesn't matter, they took my rights away. Even trying to arrest me over my Freedom of Speech and threatening me with contempt of court. They keep trying to come after me hoping that I would just commit suicide, they are ruthless. I don't know what to do, I feel so powerless. I keep fighting for years and getting nowhere, like a hamster on a wheel. America feels to me like Cuba or North Korea. I am losing my patriotism. My family are so angry at the federal judges, they no longer wish to celebrate the Fourth of July, because we lost our liberty, independence. I lost my freedom for a very long time, lost my liberty, for a crime they know I am innocent of. A bunch of fraudsters, fraud on the court. They don't care. They want to keep me off of the internet because they are afraid of me posting stuff politically online, they don't want me to post political stuff, they want me off of the internet forever.

Lots of people love your viewpoints and follow your campaign on these social media platforms. Arguably, you can change things if you ever consider posting about my documentary which can turn the tide and help me be acquitted once and for all. I fought so hard for a full pardon because the DOJ is corrupt and the Office of the Pardon Attorney is loyal to the U.S. Department of InJustice (DOJ) freaks who wrongfully convicted me and tortured me under the U.S. Marshals custody, they tortured me and at some point felt sorry for me and brought me to the hospital (Moses Cone hospital in Greensboro, NC). While Trump was in office, my friends emailed Executive Office of the President and non-public white house email addresses asking for me to be pardoned by the President, getting blocked

from emailing them by Jared Kushner. I kept calling different White House phone numbers I could find, leaving voicemails on many White House staff phone numbers, begging for a presidential pardon but to no avail. I called many different White House numbers just begging for a pardon. In the end, Roger Stone tried hard and even he failed because of Pat Callione, White House counsel. Roger Stone failed to get me pardoned because of January 6 interfering with Trump investigating why I need such a pardon.

Roger Stone text messages with me: <https://archive.org/details/leak-roger-stone>

I have the backing of a few Q Anons who are fighting for my acquittal because they know I am innocent of my federal charge in 2013. They knew I was targeted by the Obama Administration. It is evident that I was a political target. I can prove I was a political target. I'm still a target.

I am a virgin, I have AUTISM SPECTRUM DISORDER just like Julian Assange and Matt DeHart. I am a target. Autists save the world, that is why I believe I am a target. I was sued by Righthaven LLC in 2011 which had connections with the Obama Administration and/or Michelle Obama. See Dan Frosch NYTimes article on myself in 2011 (keyword: uswgo nytimes can find it). I never raped, never molested, never was charged with assault, and I never murdered. **My only crime was operating a political blog for 3 years at uswgo.com.** You can check the Wayback Machine in August 2012 or earlier and see my old articles, whatever was archived by Wayback Machine but they never archived every article I ever wrote there. Enough evidence is in the Wayback Machine and Internet Archive that I was once an alternative media journalist blogger.

You can vet this information by seeing the article about Attorney Sue Basko being right about me being innocent. The DOJ and/or the federal judge and my court appointed lawyers threatened me with perjury for falsely pleading guilty if I am ever acquitted of my wrongful conviction. Family gave me the title and link information. The feds keep bullying me, threatened me behind the scenes, they want to scare me into shutting up forever but I cannot and that makes me a target over and over again by the Deep State.

Attorney Sue Basko who typed an article for Oath Keepers was right about Brian D. Hill being innocent of his federal charge in 2013 – Justice for Brian D. Hill of USWGO Alternative News <https://wp.me/p9wgvv-2QB> or <https://justiceforuswgo.wordpress.com/2023/05/15/attorney-sue-basko-who-typed-an-article-for-oath-keepers-was-right-about-brian-d-hill-being-innocent-of-his-federal-charge-in-2013/>

I cannot email but my mother can email. Feel Free to email Roberta Hill at rbhill67@comcast.net.

Robert Kennedy, you have a lot of followers and those who listen to you. You can have somebody you trust vet this information and give me a voice. A voice I haven't had in a very long time. Please give me a voice, a way to speak out since I cannot be allowed to use the internet or face imprisonment. I need to be interviewed and investigations need to be

conducted into the CIA, DOJ, FBI, and NSA. My Documentary needs millions of views, it needs to go viral. I need my Freedom of Speech and Freedom of Press to be restored.

If you are ever able to become President, I would like for you to investigate the CIA and DOJ on any possible records of torturing and rigging my federal criminal case, manufacturing evidence against me. I would also advocate for another person who had been involved with WikiLeaks and Anonymous, Matt DeHart. He was also targeted by the CIA NSA Deep State people, and was forced to falsely plead guilty for a crime he never committed after he was tortured and bleach sprayed on him while he was stripped naked in a cell. I wasn't the first person being forcefully stripped naked and tortured by the Feds, and I am not the last either.

If you do manage to ever find any evidence proving my claims, if there are any records in the CIA that I was framed or evidence manufactured in my criminal case or even any evidence of the CIA tampering with the proper administration of justice in my federal case or interfering with my due process of law in the federal courts concerning my federal case, **I would like to request that any such evidence may justify me being granted a full unconditional pardon on the basis that I was not given due process of law and was threatened with perjury and obstruction of justice for falsely pleading guilty after being tortured by the U.S. Marshals Service.** I have no right to obtain the CIA file on me. They can lie about me and add false information and the CIA is giving me no right to access my file and make copies of it, and have a lawyer (pro bono) get involved to show proof to the CIA that this claim is false or that claim is false. I would like the CIA to stop harassing me and targeting me and my family. I would like the Feds to stop playing dirty. For that reason I am printing and attaching to this letter, a secret letter I had mailed to the U.S. Pentagon in requesting that former Secretary of Defense Chris Miller do something to stop the CIA from harassing me and my family, and the CIA almost killing me and my family including with carbon monoxide with the greeting card saying “sickness is horrible” around the exact time I was suffering under carbon monoxide gas. The Deep State sending me threatening or intimidating things including an anonymous greeting card with CIA terms (Snow White) in those greeting

cards in attempting to threaten or intimidate my mother.

Please help me RFK Junior. Senator Tim Kaine is corrupt and Mark Warner is corrupt and seem to be with the Clintons and the Bushes, the elite people. They have refused to do anything about the corruption in my case. They have refused investigations, they have refused to hold accountable any of the people who target me. My options are limited, I am still being targeted even till this day. I need a hero, a champion so that I don't give up on this world because there are still good people out there who want to do the right thing. Please help me somehow, even promoting my documentary or requesting an investigation into the CIA and DOJ.

I am requesting your support or any kind of help or assistance including any investigations necessary to help resolve a constitutional crisis of my life as a law abiding American citizen.

If you become President, you can file Executive Orders over my CIA file and allow me to have a lawyer provided to help look through my CIA file to show the lies in it, and then have any investigations into me being framed and my life ruined. Then if there is any supporting evidence found, that alone should justify you granting me a full pardon with no conditions. A full pardon to erase my wrongful conviction. See *Ex Parte Garland*, 71 U.S. 333, 380-81 (1866) (“Such being the case, the inquiry arises as to the effect and operation of a pardon, and on this point all the authorities concur. A pardon reaches both the punishment prescribed for the offence and the guilt of the offender; and when the pardon is full, it releases the punishment and blots out of existence the guilt, so that in the eye of the law the offender is as innocent as if he had never committed the offence. If granted before conviction, it prevents any of the penalties and disabilities consequent upon conviction from attaching; if granted after conviction, it removes the penalties and disabilities, and restores him to all his civil rights; it makes him, as it were, a new man, and gives him a new credit and capacity.”)

I believe your a good man, I need help from anybody willing to do something, anything, to do what is right when presented with the evidence, the facts, and the truth.

Semper Fidelis

Semper fi is a Latin phrase that means "always faithful".

Where We Go One We Go All. Please help me somehow. I need my voice back, I need to be allowed to speak out. My Documentary exposes what needed to be exposed a long time ago. I need my Free Speech and Free Press constitutional rights restored. I cannot do so without help. It takes a good President to end my wrongful suffering and end the CIA's secret war on me.

Any platforms you have access to can give me a voice, or maybe you know somebody else who runs a podcast or large platform who can interview me and get my story out about the Feds targeting me for years and going to war with me over running an alternative media blog for three years.

Please help me, I need your help as a patriot. "Leave no man behind," as they say in the military. Leave no person behind. I was left behind by the alternative media, I was left behind by the "tip of the spear" of the alternative media. I need my voice back.

God Bless You, Robert F. Kennedy Junior.

Signed

Brian D. Hill

God bless you,

Brian D. Hill
