evidence information  
video (documentary)

DONALD J. TRUMP FOR PRESIDENT 2024,

URGENT NOTE: I used to beg Roger J. Stone to get information to Donald Trump when he was President. He did initially agree after being pardoned himself to get my affidavit and letter to Donald Trump, the proof and the evidence necessary for Donald Trump to take certain action to bring justice as his capacity as President. I don't wish to have to use Roger Stone to get the truth to Trump, to get my story and issues to President Trump. I rather my information and letter be read by President Trump when he has the time to read a copy of this letter, attached evidence, and watch the evidence information video on the DVD discs. I am not mailing anything with an intent to send something of monetary value. I am mailing something important, critical. I wish to get information to President Trump on my own, with my own two hands when I type this up, with my own voice, with my own intent and spirit to get important information to the Donald Trump presidential campaign of 2024, hopefully to Donald Trump himself. Read the

entire letter and understand why Donald Trump may need to read this information and review over the documentary video DVD disc himself. You can contact him and give this information to him, or act on his behalf and watch the documentary DVD disc and read the letter and attached evidence. I feel that I need to get this information to him before he becomes President again, and for good reason. I have been a target of the Deep State CIA/NSA/DOJ/FBI for 10 to 11 years now, maybe even longer. I have been a target of the communists who wanted to take me out by character assassination (meaning destroying the character of the messenger person to destroy the message) then the Deep State had physically tortured me for a lot of time, and almost killed me with carbon monoxide gas poisoning by metal tin being placed on the chimney flues. I do not wish to use Roger Stone or involve Roger Stone to talk to Donald Trump, because I wish to just convey the truth to President Trump while he is not walled off at The White House where it is almost impossible for Trump to even see one of my letters. Hopefully, dear God, if he does read this, he has the option to publish my truth evidence video on Truth Social and show the American people what I and others had been through, victims of the CIA/NSA/DOJ/FBI Deep State black hats. Black hats meaning bad guys, communists, and criminals who have hijacked the U.S. Government, but the white hats are the good guys who follow the law and want to make sure the Government doesn't commit acts of evil against it's own citizens who pay the taxes for every government employee of every office of the United States Government system. Please convey this to Donald Trump, because I do not need Roger Stone and it wouldn't be necessary to have to use Roger Stone to talk to Trump. This letter hopefully will bring issues and information as to why it is necessary that Donald Trump reviews over this letter and my evidence I am mailing and attaching with this letter. God bless you. Here is the letter.

I, Brian D. Hill, was an autistic blogger from 2009 to 2012. I was young at the time I started waking up, I woke up to the elite agenda when I was 16 years old. I started up a political organization when I was 19 years old to bring alternative news to the internet, I became a target ever since then by this shadowy government force for whatever the reason or reasons why. I don't know because I don't have access to top level security clearance information concerning myself, my name, and my identity. They can lie about me and I would have no right to have access to it. I was all about

standing up against the corrupt elite agenda by the Deep State Swamp and its corruption. One of the reasons I was fighting the New World Order was because of my type one brittle diabetes caused by the vaccines given to me as a baby, and because Big Pharma has blocked me and other diabetics from ever having access to any cures for diabetes. I fought against it because the Big Pharma disabled me permanently and then I hear how they want eugenics and want to kill off the useless eaters with this “great culling” they dubbed it, and yet I am disabled because of the very people who call me a useless eater. I didn't choose to be disabled at age one and a half (I was a baby when I became diabetic) where I couldn't work a job, Big Pharma chose it for me to make a profit off of tax paid moneys from my disability health problems. That isn't fair of the elite to cause my disability by Big Pharma and then turn around and say I am a useless eater on government assistance. I am very smart and I refuse to accept being called a useless eater by the elites. I refuse to accept Nazi ideologies of the globalist elite that I need to die because I am not what the elite want me to be. So I had ran USWGO Alternative News and had become a target of the Obama Administration and the CIA/NSA/FBI/DOJ Deep State armada. Here's the old Wayback Machine access of what I used to have, the blog I used to run. <https://web.archive.org/web/20120821043641/http://uswgo.com/> (Link given by family). The proof you can vet and the evidence you need to show that I ran a legitimate organization back then, worked with other patriots and alternative media including political activists against the New World Order agenda. The same agenda Donald Trump had spoken out against on multiple occasions. I praise Donald Trump for talking about the New World Order agenda, exposing it.

I have been damaged by vaccines since I was a kid in the 90s and it wasn't just type one diabetes I got because of my body having an auto-immune attack which attacked my pancreas causing permanent failure and thus I have type one brittle diabetes. It had made me mildly autistic. Autism Spectrum Disorder. The vaccines had also caused me to have violent autistic meltdowns which almost landed me in criminal trouble as a minor decades ago, and the fault was the public school system forcing me against my will as a kid to take the schedule of vaccines and I even had severe sickness and vomiting as a kid, and so it actually weakened my immune system. It took many years and alternative medicine to severely put an end to my autism

meltdowns which were caused by Big Pharma. They wanted to damage me and then throw me and other autistic people in prison or jail or strict probation out of what the vaccines had done to me and other autistic people. Like a double attack and exploit on me and other autistic people. They are exploiting the disabled and throwing autistic people in prisons across the country for simply their behaviors. I had met inmates which have had severe mental limitations, meaning those who have a more severe brain damage and/or autism spectrum disorder just sitting every day in prison or jail. Some of the inmates or at least the few I was personally a witness of a long time ago were I believed raped by other inmates, meaning other inmates took advantage of a man's severe mental issues and had sex with that person knowing that he wasn't in the competent mental state to give consent, so it was rape. I am aware of the rape of a few inmates with severe mental disabilities because others take advantage of it. Then I am aware of the physical abuse of pre-trial inmates when we are supposed to be innocent until proven guilty.

It is horrible, and I have seen the abuse of inmates including in the year of 2019 (I believe March or April of 2019) the Warden of FCI-1 Butner, North Carolina, with blond hair, the WARDEN had multiple guards kicking a man in a wheelchair and throwing him out of the wheelchair and continuously kicking him over and over again while a lot of inmates watched. I then sent an electronic message to the Warden on TRU-LINCS system informing the Warden that I used to be alternative media, have a book about me being framed on Amazon books, and told the Warden that I would write a book about her abusing the inmates when I get out of prison. Then she, the blond headed warden retaliated and had me secretly or quietly sent to the holding cell at FCI Petersburg, VA indefinitely without notifying the court where I was transferred to so that the Federal Marshals had no clue where I was after the mental evaluation, where they could have killed me and nobody would know where I had disappeared to. I informed enough guards at Butner of my alliance with a certain political group, the group known as Q, that the other guards allowed me to get commissary at FCI Petersburg to send a letter to the U.S. District Court where I had been secretly or quietly moved to, and then the U.S. Marshals or deputies or contracted officers were called to take me away from that facility where they secretly held me without my lawyer being notified while I was in solitary

confinement, and I think they were planning to have me rot there while they search for me, or have me killed. Luckily because of the white hats in the prison system, I ordered commissary while in solitary confinement, then I was released on bond in May of 2019 shortly afterwards. I have been politically targeted a lot in the last 14 years of my life. Targeted, I had received death threats and rape threats, hacker attacks on my website of uswgo.com, threats to set me up and have me thrown in prison on fabricated evidence. The threats were reported to the FBI and State Police, but nobody does anything about it.

So I am sharing a short documentary (approximately 32-33 minutes) which I feel you need to look at using a standard Blu-Ray player which accepts DVD discs with Blu-Ray quality or the other disc has the video file of the short documentary with all of the facts which you need to know.

I believe personally that I have been a target of the CIA/NSA and the corrupt DOJ/FBI since I ran USWGO Alternative News from 2009-2012. They have threatened me and my family. I filed a FOIA Request in 2017 or 2016 asking the CIA for my case file, anything about myself, and they refused to do such without an executive order from President Trump. I then mailed a written request to President Trump to declassify my CIA file or let me look at it to see if they were lying about me or were involved in interfering with my constitutional rights in my federal criminal case or were directly involved in framing me and manufacturing evidence against me in my criminal case. I was blocked from getting any letter or information to President Trump to take any action. That was why I had intended to ask those who personally knew Trump to convey information (like my federal unsworn Affidavit) to him out of desperation. I had to go through Roger Stone who had agreed to help me but it was only on December, 2020, when he initially agreed to help me as long as I kept it confidential at the time as he warned that it would fail if not kept confidential; I kept my word until he had failed (which he notified me by text message) because the CIA was spying on my text messages and the CIA/NSA were spying on Roger Stone's text messages and had intercepted his attempt to get my Affidavit and letter to President Trump, I was unable to receive a full unconditional pardon. Then the CIA or anonymous Deep State spook or spooks made it known by posting a comment to the justiceforuswgo.wordpress.com blog after Trump

left office that I will never get a presidential pardon and will never be acquitted no matter what I do, by saying certain people don't get pardons with a smiley face to taunt me. So I had been a target of the CIA while they refuse to let me obtain records from FOIA about how the CIA has been targeting me and I believe they had framed me with a crime I never committed to keep me off of the internet forever and take away my Freedom of Press and Freedom of Speech. They stolen my First Amendment right. My First Amendment right to free speech and free press has been stolen by the Deep State operatives of the U.S. Government since I was arrested in December, 2013.

Look, the U.S. Probation Office knows I am innocent, and has witnessed enough junk going on in my federal criminal case, they know I wasn't given a fair deal, they know that discovery materials have been destroyed and covered up by the government, they know I have enough evidence in my federal case indicated that I was set up, I was framed, discovery material evidence was destroyed off the wazoo and documented as to the evidence destruction, and I have suspected that the CIA is involved in what happened to me. They will make sure that I can never prove the CIA targeted me for over a decade, and even if I could prove the CIA targeted me for operating an alternative media political blog, they will use their control of blackmailing the federal judges (*as Attorney Lin Wood made it known that judges and officials may be blackmailed with Jeffrey Epstein type blackmail materials*) or threaten them or bribe them into keeping me convicted or charge me with Obstruction of justice for falsely pleading guilty. I was tortured and my nose broken, my clothes ripped off by the jail guards. The Federal Marshals knew a certain amount of the judicial corruption in my case. It has become a big problem and the CIA is believed to be at the center of all of this. If your able to President again, the CIA needs to be investigated, audited, they need to be sanctioned and all case files need to be reviewed by yourself or people who you can trust and be entirely reviewed by Congress. We need to hold the entire CIA accountable and look through every file (*to determine how many crimes were committed by our CIA and not even to protect National Security, framing people with sex crimes does not protect National Security at all, it endangers our National Security and harms the children by such frame ups*) so that they can stop unconstitutionally targeting me and my family, as well as other people they

are targeting as well.

I am aware that the corrupt CIA/NSA Deep State killed John F. Kennedy for simply being a real President. They unconstitutionally killed Robert Kennedy and the goons who did the deed had committed a treason against our great country by that assassination for simply JFK being a real President. JFK was wrongfully killed for standing up for what he believed in. They have hijacked our government and corrupted our Supreme Court, they have corrupted the Federal Courts, they have corrupted the DOJ, they have corrupted the state courts who commit federal crimes and do nothing about local corrupt judges who commit federal crimes, and at the end of all of this, the federal judges are corrupt. They killed a good man (JFK) who wanted to splinter the CIA into a thousand pieces and scatter them to the winds. They (CIA/NSA/DOJ/FBI) targeted me but instead of murdering me, they tried to kill me and my mother with carbon monoxide poisoning and conducted character assassination operations against me. I have evidence from both the feds and the Martinsville Police Department, I have evidence I was targeted by the feds and cover ups have been going on as far as the federal case to the 2018 state case against me. Medical lab tests ordered then covered up (deleted from my medical chart) without explanation, nobody who is covering things up ever gets in any trouble, nobody gets in trouble except me the one who is being targeted for years. The CIA or DOJ or Deep State, any of their corrupt flunkies have been covering up so much in my criminal cases, they are trying as hard as they can to end me permanently. I do believe thanks to God and Jesus, I am being protected by the white hats including ones in the U.S. Probation Office but if the white hats ever go away, then I am a dead man or by the time they could be through with me I could wish I were dead. They are ruthless and nasty people from the Feds. There are good people in the Feds too but they are powerless or their hands are tied. So I need somebody who is running for office to investigate the CIA, entirely investigate them, all case files including top secret, everything must be investigated at the CIA and they need to be temporarily shut down while files are being combed through. We need this, I recommend to you that we need to hold them accountable if we ever want to see our National Security strengthened by bringing back credibility and honor in our broken government. We need to hold the bad guys accountable once and for all.

I believe the Deep State has been fighting Donald Trump since even before he won the election in 2016. It has been a CIA coup against Trump. This is wrong and this agency has gone far beyond its mandate and duties. They were only supposed to protect America from foreign enemies and conduct intelligence to protect our national security. Instead they are condoning child sex trafficking, drug cartels, and illegals freely coming into the United States. Where is the CIA protecting our borders??? Where is our CIA combating the foreign drug cartels??? Where is the CIA when drug lords are very powerful and bribe local politicians in the United States of America??? Where is the CIA protecting America and its government from the foreign influence since George W. Bush and Bill Clinton??? Where is the CIA trying to stop globalist elite influence and eroding of American sovereignty???

I want to push for an END to the corruption in the CIA, NSA, DOJ, and FBI. I am pushing for criminal investigations and accountability of the corruption in the CIA, NSA, DOJ, and FBI. All I ever wanted was accountability and justice, to investigate the Deep State, to drain the swamp. Many law abiding Americans ever wanted was justice and freedom.

My freedom was taken away forever after I was framed with a crime that I did not commit. I have asked every possible government agency for assistance and every one of them denied my request to investigate or do the right thing. Nobody seems to want to investigate out of fear of being retaliated against. I am on a hamster wheel getting nowhere. I can file up to 100 lawsuits pro se if I ever had to but if I ever did then none of them would go anywhere. I am stuck as chuck. This is a major damage to our democratic republic. I cannot get anywhere no matter what I do or say, and no matter what evidence I have and present with due diligence.

I have autism, they (the Feds) tortured me, videotaped me while I was ordered to strip naked and the guards giggled while the federal jail guards ordered me to touch my genitals and they held the video camera looking happy and that was in December, 2013. Other federal sanctioned jail guards kicked my nose, told me "I WILL RIP YOUR CLOTHES OFF, I WILL FRY YOU LIKE A TURKEY!!!!" and they left my diabetic blood sugar low where I

risked dying in 2014. That would be another assassination attempt on my life in May of 2014, jail guards and it's corrupt administration refusing to treat low blood sugar which can kill me, but I had some stashed sugar packets, the guards came in and started trying to take my sugar packets, and I physically got violent with the guard while he was trying to take away my only source of saving my life with glucose (for my diabetes) and I tried to jump on top of him to attack him for endangering my life. I was thrown to the ground, they broke my nose after kicking me in the face after I yelled allegations that the jail guards worked for North Carolina State Senator Phil Berger Senior. Of course Phil Berger Junior the former District Attorney was involved with Guantanamo Bay torture and/or detention facility in U.S. territory in Cuba as a former District Attorney. That means likely Phil Berger had a CIA connection and used the CIA to come after me ever since. Then as they (Orange County Jail) ran down the hall carrying me while my nose was bleeding before ripping my clothes off as they promised to had me naked in a windowed cell where other inmates could see my naked body, blood dripping out of my nose with no running water in that cell, yelling that I was Brian D. Hill of USWGO Alternative News and I was set up with a certain kind of material. This incident happened before I took a plea agreement when offered time served by Eric David Placke. I was not allowed to see all of my discovery evidence material until after I had falsely plead guilty. I was tortured into falsely pleading guilty and be stigmatized. Having support from the alternative media taken away from me. I was tortured into falsely pleading guilty, this I can prove to you. I have the medical records of those times, just sitting in some filing cabinet or plastic evidence box. I have plenty of witnesses who can give you federal affidavits or state affidavits. I have the medical records and diabetic logs from the jails medical. Whatever is needed to prove to you what the feds have wrongly done to me for over 10 years without any real reprieve in the legal system. It was over ten years because the Obama Administration had me sued by using Righthaven LLC in 2011, with ties to the Obamas. They tried to shut down my alternative media blog using copyright infringement. That failed, so they framed me with a crime one year later.

I wanted justice, so I had started a new short 33 minute Documentary. It is non-commercial. I am not here selling discs. I am here to seek justice against the Deep State who targeted me and ruined my life. I am mailing

you two Blu-Ray discs. One which can be played on any standard Blu-Ray player with AVC-HD DVD support, and another disc with the 1080P High Definition MPEG-4 file. I am mailing you this documentary with the facts, and I have the evidence, I have the federal court filings and they can be accessed on CourtListener or PACER, I have it all. I have so much evidence, I am swimming in it. Who cares about evidence, right??? not the corrupt federal judges. **The corporate media refuses to cover my case.**

I had produced the documentary entitled: **The DEEP STATE can Frame You - the Documentary**

My family gave me the link to give to you as I cannot access links because of the Feds holding me hostage in the corrupt U.S. District Court system. Here is the link: <https://rumble.com/v2ozhp6-the-deep-state-can-frame-you-the-documentary.html> I need to raise awareness and don't have the corporate media backing me. I do not have the outlets to make it viral.

I noticed that the corporate media is not too fond of you Donald Trump and even of RFK Jr. because both of you, despite both of your differences, have told the truth and not just read off a propaganda script. So you understand that the truth does not matter to the corporate media because the fake news media is propaganda outlets just reporting on what the Deep State allows them to report as news.

I have the evidence for my federal case which proves the claims of myself in my documentary. I am dealing with the Deep State and their alleged blackmail of federal judges. The federal judges refuse any investigation into such Jeffrey Epstein blackmail of possibly themselves. The corrupt Judicial Council refuses to conduct any investigation into the alleged blackmail tapes by Jeffrey Epstein who had blackmailed possibly any federal judges who keep depriving me of all of my constitutional rights. The Lizard Squad obtained those blackmail tapes and were given to a source who likely contacted Attorney Lin Wood. I wanted to prove the judge involved in my case was blackmailed. To no avail. I even confronted John Roberts with the claims and he manipulated SCOTUS to block my Certiorari petition and Petition for Rehearing.

I was targeted in such a way where I was character assassinated. Just like how the Deep State are trying to assassinate the character of yourself by calling you names and defaming you, by framing you with crimes you are not guilty of, and twisting the law to make you look like a criminal to ruin you. Just like how they (Deep State) are trying to assassinate the character of Robert Kennedy Junior because he wishes to criticize the narrative, to challenge the narrative, and the Deep State is targeting anybody else who just wants America to be a great free country, a country who helps the poor and yet has prosperity and great ideas. We are not a perfect country but we do the best we can. We have safety net programs, yet we also should have free-market capitalism, and so that way we have limited government but also making sure that we take care of our military veterans, disabled, mentally ill, and the elderly. Not everyone has family to financially support them. That is why we have these government assistance programs. Now I heard that Joe Biden is taking that money and giving it to Ukraine and the illegal immigrants. Joe Biden is not a real democrat, where in the past they were supposed to be about helping the poor. Joe Biden is helping himself, his rich family, and the elites. Even democrats are starting to hate Biden. Biden is helping to end the poor living a good life and wants ICLEI/Agenda 21/Agenda 2030, Great Reset, World Economic Forum (WEF).

I was targeted by the CIA/NSA/FBI/DOJ Deep State armada. I believe they, the Deep State had framed me, hacked into my computer, lied about my character, refused to give me a fair trial, refused to comply with the U.S. Constitution, they refused to give me my Constitutional rights, and they threatened me with perjury and obstruction of justice charges for me falsely pleading guilty if I ever am found actually innocent of my wrongful conviction. They stonewalled me from getting access to my discovery evidence materials and had a federal judge state that I cannot get access to my own discovery materials in my criminal case, and that was to cover up any evidence proving my innocence. Cover up, cover up, cover up. I am sick of it. Endless corruption and cover ups by the Feds.

I am mailing you a few screenshots to prove to you that I was in contact with Roger Stone directly at one time when he did the best he could to help me. I am grateful to Roger Stone, God Bless Roger Stone for trying to help me at least in the best of his capacity. I am disappointed that he failed

due to being blocked by Pat Callione. I am not mad at him. He is probably mad at me for having these screenshots, but I have to continue fighting for my acquittal or any kind of relief from what the Deep State had done to me and my family. So now you know that I went as far as asking Roger Stone to help me get a Presidential pardon, and he was very close. In January, 2021, the January 6 incident happened and Roger Stone reassured me by text message that he was still working on it. Then around the time when Donald Trump left office, I was told by Roger Stone that I was not on the final presidential pardon list. So I lost being able to have myself pardoned out of the judicial corruption holding me hostage. **They (Deep State) are continuing to hold me hostage and refuse to let me go. I am innocent, they do not care.**

**I need somebody with a voice and a large audience. I am desperate here. So I need your help and sympathy.** I would like to request you to post my documentary on Truth Social, on Twitter, anywhere. I have a 4K digital camcorder and some good decent lighting, so you and me could do a video interview or something since I used to be a alternative media reporter, or you could interview me or have a news reporter interview me and talk with you on your opinions on my situation, and have somebody you trust vet me and my information, vet my documentary and you can have somebody vet all federal court documents and particularly the specific federal court document pages as to my claims in my documentary. You can vet the documentary by watching it then have your staff investigate my claims and find the witnesses necessary to prove my claims to you. If you ever become President again, you could file Executive Orders demanding a Special Council to investigate my federal charge in 2013, investigate 2018, investigate the CIA involvement and the carbon monoxide poisoning, investigate the CIA sending me any threatening matters, and investigate the evidence deletion in 2018/2019.

Heck you can make copies of my documentary in MPEG-4 (.mp4) format and give to anybody who may be able to untangle this web the Deep State trapped me in. Maybe you know some good white hats in the CIA or NSA or DOJ, maybe you know who may be able to save me from this judicial nightmare of character assassination, me being tortured, and me being given one miscarriage of justice after another. They took away my right to vote, took away my right to use the internet, took away my Freedom of Speech

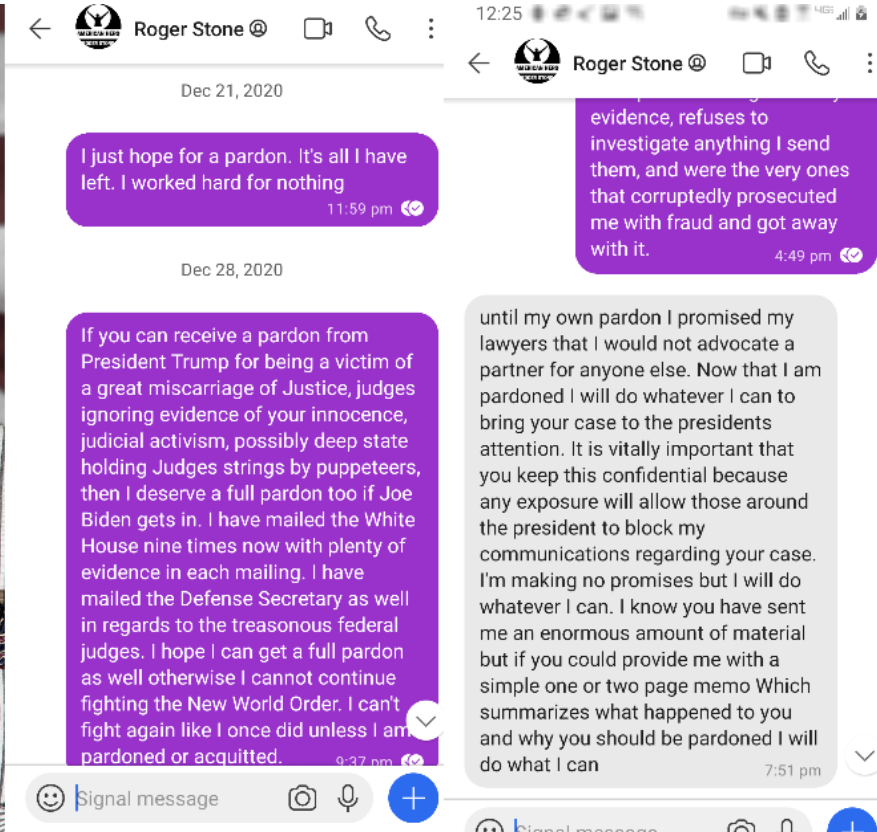

and Freedom of Press with a smile on their faces, took away my right to hold public office, took away my right to ever own a gun when I have never been charged with a violent crime despite my autism meltdowns because those were not my fault as they were caused by the vaccines while I was a baby and since I was in public school decades ago. I was never charged with any violent crime. Doesn't matter, they took my rights away. Even trying to arrest me over my Freedom of Speech and threatening me with contempt of court. They keep trying to come after me hoping that I would just commit suicide, they are ruthless. I don't know what to do, I feel so powerless. I keep fighting for years and getting nowhere, like a hamster on a wheel. America feels to me like Cuba or North Korea. I am losing my patriotism. My family are so angry at the federal judges, they no longer wish to celebrate the Fourth of July, because we lost our liberty, independence. I lost my freedom for a very long time, lost my liberty, for a crime they know I am innocent of. A bunch of fraudsters, fraud on the court. They don't care. They want to keep me off of the internet because they are afraid of me posting stuff politically online, they don't want me to post political stuff, they want me off of the internet forever.

I have heard that lots of people love your viewpoints and follow your campaign on these social media platforms. Arguably, you can change things if you ever consider posting about my documentary which can turn the tide and help me be acquitted once and for all. I fought so hard for a full pardon because the DOJ is corrupt and the Office of the Pardon Attorney is loyal to the U.S. Department of InJustice (DOJ) freaks who wrongfully convicted me and tortured me under the U.S. Marshals custody, they tortured me and at some point felt sorry for me and brought me to the hospital (Moses Cone hospital in Greensboro, NC). While Donald Trump was in office, my friends emailed the Executive Office of the President and non-public white house email addresses asking for an investigation and asking for me to be pardoned by the President, then getting blocked from emailing them by Jared Kushner. I had called White House phone numbers I could find, leaving just one voicemail on White House staff phone numbers, begging for a presidential pardon but to no avail. I had called White House numbers just begging for a pardon.

In the end, Roger Stone tried hard and even he failed because of Pat

Callione, White House counsel. Roger Stone failed to get me pardoned because of January 6 and the Deep State interfering with Trump investigating why I need such a pardon.

Roger Stone text messages with me: <https://archive.org/details/leak-roger-stone>

I have the backing of a few Q Anons who are fighting for my acquittal because they know I am innocent of my federal charge in 2013. They knew I was targeted by the Obama Administration. It is evident that I was a political target. I can prove I was a political target. I'm still a target.

I am a virgin, I have AUTISM SPECTRUM DISORDER just like Julian Assange and Matt DeHart. I am a target. Autists save the world, that is why I believe I am a target. I was sued by Righthaven LLC in 2011 which had connections with the Obama Administration and/or Michelle Obama

through a law firm or law office. See Dan Frosch NYTimes article on myself in 2011 (keyword: uswgo nytimes can find it). I never raped, never molested, never was charged with assault, and I never murdered. **My only crime was operating a political blog for 3 years at uswgo.com.** You can check the Wayback Machine in August 2012 or earlier and see my old articles, whatever was archived by Wayback Machine but they never archived every article I ever wrote there. Enough evidence is in the Wayback Machine and Internet Archive that I was once an alternative media journalist blogger.

You can vet this information by seeing the article about Attorney Sue Basko being right about me being innocent. The DOJ and/or the federal judge and my court appointed lawyers threatened me with perjury for falsely pleading guilty if I am ever acquitted of my wrongful conviction. Family gave me the title and link information. The feds keep bullying me, threatened me behind the scenes, they wanted to scare me into shutting up forever but I cannot shut up and that makes me a target over and over again by the Deep State.

Attorney Sue Basko who typed an article for Oath Keepers was right about Brian D. Hill being innocent of his federal charge in 2013 – Justice for Brian D. Hill of USWGO Alternative News <https://wp.me/p9wgvv-2QB> or <https://justiceforuswgo.wordpress.com/2023/05/15/attorney-sue-basko-who-typed-an-article-for-oath-keepers-was-right-about-brian-d-hill-being-innocent-of-his-federal-charge-in-2013/>

I cannot email but my mother can email. Feel Free to email Roberta Hill at [rbhill67@comcast.net](mailto:rbhill67@comcast.net). If Trump wishes to talk to me over the phone then feel free to call me at 276-790-3505. It would be cool to talk with Trump and not have to go through Roger Stone or anybody to have that privilege and honor to speak with Donald Trump about my situation and see what he could do as President to remedy this craziness and finally give me a fair shot at true American justice I had been lacking for a decade. This should never happen to alternative media, being set up with a fake crime.

Donald Trump, you have a lot of followers and those who listen to you. You can have somebody you trust vet this information and give me a voice. A voice I haven't had in a very long time. Please give me a voice, a way to

speak out since I cannot be allowed to use the internet or face imprisonment. I need to be interviewed and investigations need to be conducted into the CIA, DOJ, FBI, and NSA. My Documentary needs millions of views, it needs to go viral. I need my Freedom of Speech and Freedom of Press to be restored. You can give me my free speech back by posting on Truth Social about my documentary or even a video where I talk about the state of what the Deep State had done to me, and the very justice I seek.

If you are ever able to become President again, I would like for you to investigate the CIA and DOJ on any possible records of torturing and rigging my federal criminal case, manufacturing evidence against me. I would also advocate for another person to have a investigation by a special counsel who had been involved with WikiLeaks and Anonymous, Matt DeHart. He was also targeted by the CIA NSA Deep State people, and was forced to falsely plead guilty for a crime he never committed after he was tortured and bleach sprayed on him while he was stripped naked in a cell. I wasn't the first person being forcefully stripped naked and tortured by the Feds, and I am not the last either.

If you do manage to ever find any evidence proving my claims, if there are any records in the CIA that I was framed or evidence manufactured in my criminal case or even any evidence of the CIA tampering with the proper administration of justice in my federal case or interfering with my due process of law in the federal courts concerning my federal case, **I would like to request that any such evidence may justify me being granted a full unconditional pardon on the basis that I was not given due process of law and was threatened with perjury and obstruction of justice for falsely pleading guilty after being tortured by the U.S. Marshals Service.** I pretty much have no right to obtain the CIA file on me. They can lie about me and add false information and the CIA is giving me no right to access my file and make copies of it, and have a lawyer (pro bono) get involved to show proof to the CIA that this claim is false or that claim is false. I would like the CIA to stop harassing me and stop targeting me and my family. I would like the Feds to stop playing dirty. For that reason I am printing and attaching to this letter, what I dubbed as a “secret letter” which I had mailed to the U.S. Pentagon in requesting that former Secretary of Defense Chris Miller do something to stop the CIA from harassing me and my family, and the CIA

almost killing me and my family including with carbon monoxide with the greeting card saying “sickness is horrible” around the exact time I was suffering under carbon monoxide gas. The Deep State sending me threatening or intimidating things including an anonymous greeting card with CIA terms (Snow White) in those greeting cards in attempting to threaten or intimidate my mother.

Please help me Donald Trump in any way you legally can. Senator Tim Kaine is corrupt and Senator Mark Warner is corrupt and seem to be with the Clintons (Tim Kaine!) and the Bushes, the elite people. They have refused to do anything about the corruption in my case. They have refused investigations, they have refused to hold accountable any of the people who target me. My options are limited, I am still being targeted even till this day. I need a hero, a champion so that I don't give up on this world because there are still good people out there who want to do the right thing. Please help me somehow, even promoting my documentary or requesting an investigation into the CIA and DOJ.

I am requesting your support or any kind of help or assistance including any investigations necessary to help resolve a constitutional crisis of my life as a law abiding American citizen. That is if you become President once again. You still have social media like Truth Social and Twitter. You can still use your bold video statements to talk about what happened to me and why the swamp needs to be drained. Use me as an example for your campaign to drain the swamp.

If you become President, you can file Executive Orders over my CIA file and allow me to have a lawyer provided to help look through my CIA file to show the lies in it, and then have any investigations into me being framed and my life ruined. Then if there is any supporting evidence found, that alone should justify you granting me a full pardon with no conditions. A full pardon to erase my wrongful conviction. See *Ex Parte Garland*, 71 U.S. 333, 380-81 (1866) (“Such being the case, the inquiry arises as to the effect and operation of a pardon, and on this point all the authorities concur. A pardon reaches both the punishment prescribed for the offence and the guilt of the offender; and when the pardon is full, it releases the punishment and blots out of existence the guilt, so that in the eye of the law the offender is as

innocent as if he had never committed the offence. If granted before conviction, it prevents any of the penalties and disabilities consequent upon conviction from attaching; if granted after conviction, it removes the penalties and disabilities, and restores him to all his civil rights; it makes him, as it were, a new man, and gives him a new credit and capacity.”)

I believe your a good man, I need help from anybody willing to do something, anything, to do what is right when presented with the evidence, the facts, and the truth.

Semper Fidelis

Semper fi is a Latin phrase that means "always faithful".

Where We Go One We Go All. Please help me somehow. I need my voice back, I need to be allowed to speak out. My Documentary exposes what needed to be exposed a long time ago. I need my Free Speech and Free Press constitutional rights restored. I cannot do so without help. It takes a good President to end my wrongful suffering and end the CIA's secret war on me.

Any platforms you have access to can give me a voice, or maybe you know somebody else who runs a podcast or large platform who can interview me and get my story out about the Feds targeting me for years and going to war with me over running an alternative media blog for three years.

Please help me, I need your help as a patriot. “Leave no man behind,” as they say in the military. Leave no person behind. I was left behind by the alternative media, I was left behind by the “tip of the spear” of the alternative media. I need my voice back.

God Bless You, Donald J. Trump.
