RE: EMERGENCY LETTER, case no. CR19000009-01, I Circuit Court, Martinsville,

My son Brian David Hill is filing an emergency request letter with you requesting all case files including the secret agreement in his contempt of court case where Brian Hill was not to file anything in the state courts (including Court of Appeals of Virginia) for six months. It is attached.

If there is no written agreement, Brian would like a written statement from you involving his six month agreement not to file anything in the state courts (including Court of Appeals of Virginia) for six months before the contempt of court case was dismissed.

He may also fax this letter to you as well.

Thanks,

Roberta Hill
