Attorney Fred Smith,

I am sorry to have to do this but I need to conduct an emergency inquiry. As a client who you represented in Circuit Court criminal case no. CR19000009-01.

I would like to request all of the case files of your representation of myself at all stages of the proceedings of the case. The contempt of court case, on the record.

I also would like a copy of the secret agreement (not even in court record, clerk denies agreement exists) where I had agreed not to file for six months in the state courts as you had instructed me to do for six months, as you advised me last year.

I would like a copy of all correspondences you have had with the Commonwealth's Attorney. I like all case files including any and all medical records you may have received last year concerning my contempt case.

It can be in PDF format. If everything is in PDF Format, then I would like that sent to my mother Roberta Hill at [rbhill67@comcast.net](mailto:rbhill67@comcast.net). You can use a file hosting service like Box.com, Mega.co,ne, or any other secure media hosting and sharing service if it is too big to send in email. Any papers I need to pickup, your assistant or paralegal can give it to me upon scheduling an appointment so I can scan it into my legal case files.

I need these legal cases files as soon as possible before I file a Motion for Delayed Appeals in the Court of Appeals of Virginia. The case files is necessary for resuscitating/resurrecting my three dismissed appeals in the Court of Appeals of Virginia, in Richmond, VA, bringing my appeals back to life.

If I do not hear back within a week, I may consider legal action against you (Federal tort claim, any other viable claim) in either the federal court or state court outside of Martinsville (change of venue where Judge Greer is not involved) due to the conflicts of interests and corruption of Martinsville.
