ATTN: CLERK OF THE COURT, Hon. Jean P Nunn	Martinsville Circuit Court P. O. Box 1206 55 W. Church Street Martinsville, VA 24114-1206
---	--

Honorable Clerk Jean P Nunn,

I don't usually want to inquire on a closed criminal case involving myself as a criminal defendant but right now I have no choice.

I am writing this quick emergency letter to you. This is regard to criminal case no. CR19000009-01.

I am not trying to file anything but rather I am requesting pdf copies of several filings in my contempt of court criminal case for the following emergency reasons and special reasons:

1. My appeals in the Court of Appeals of Virginia, cases no. 0313-23-3, 0314-23-3 and 0317-23-3 were all wrongfully dismissed today, because my court appointed attorney Fred Smith in my contempt of court case had lied to me about being granted an extension of time to file my appeal briefs. The contempt of court case had caused me to make an agreement not to file anything in the "state courts" for six months which I had complied with in good faith. I have evidence of these lies and the evidence was already filed with the Court of Appeals of Virginia with due diligence.

2. Assistant Attorney General Justin Hill in my three appeals had lied to the Court of Appeals of Virginia that I was not prohibited from filing in the Court of Appeals of Virginia in my agreement not to file for six months in the "state court" for my contempt

of court case to be dismissed by joint motion.

3. I was never given a copy of the joint motion to the Hon. Giles Carter Greer by my lawyer Fred Smith..

4. I was never given a copy of the whatever Fred Smith was filing in my contempt of court case with either the clerk or the Hon. Giles Carter Greer by my lawyer Fred Smith.

5. I was never given a copy of the agreement for what led to the joint motion being filed by both the Commonwealth's Attorney and Attorney Fred Smith for dismissal.

So I am asking for filings I was never given any copies of by Attorney Fred Smith who was appointed to my contempt of court criminal case, no. CR19000009-01. I was going to let it go and never try to seek a record from a case which was dismissed, but my appeals have also been dismissed and my constitutional rights to my appeals were taken away because Attorney Fred Smith lied to me the entire time. I have been lied to and I have hard evidence proving that he lied to me and lied to my family, lied to my face. Along with Justin Hill, the Assistant Attorney general who lied to the judges of the Court of Appeals of Virginia to have my appeals dismissed using the contempt of court case as the scapegoat, as leverage to set me up for my appeals to fail wrongfully.

I have the evidence, it is out of my hands, it is in the record of the Court of Appeals of Virginia, and copies are in other people's hands so that nobody can stop what is coming. NCSWIC, WWG1WGA. I have the evidence I was set up for my appeals to be dismissed and the contempt of court case was used as the excuse, as the set up to thwart all of my appeals. I have the evidence and other people have the evidence.

Please work with me Honorable Jeanie Nunn. As a criminal defendant, I am entitled to copies of my filings and copies of filings my court appointed attorney Fred Smith had filed with your court now that I have caught him lying and the lies going as far as the Court of Appeals of Virginia in the Attorney General's corrupt bid to throw out my appeals and dismiss them as untimely. I will not let this go, BECAUSE I AM INNOCENT OF INDECENT EXPOSURE. UNDERSTAND!!! I AM INNOCENT.

I am appalled that Fred Smith lied to me, and Justin Hill lied to the Court of Appeals of Virginia. Therefore I have a right to have access to the court records in the contempt of court case and know exactly what Fred Smith was filing in my case, as he gave no copies of any of it. I need copies because my attorney should have given me

copies of everything he filed and even the joint motion with the special prosecutor, as well as the agreement of me not filing for six months.

Please email all of that to rbhill67@comcast.net, so that I can file a motion for delayed appeals and attempt to have my appeals reopened back up on the evidence I have and that evidence is in other people's hands, because I understand I could be targeted and the evidence could disappear. So the evidence is in many people's hands.

I don't trust anybody right now, but I have to give you this letter and start somewhere. The truth needs to be made known to me, God bless you all.

Signed

Brian D. Hill

God bless you,
Brian D. Hill
