Clerical mistake in Amended motion. Appellant forgot to add the word amended to the motion, and the CAV is usually strict about following proper procedures and errors. So Appellant is making sure to add the word amended so that the Court of Appeals of Virginia understands that it was an amended motion. I am sending you the fixed Amended Motion to fix the clerical mistake to serve all parties. Will be filed by VACES to correct clerical mistake.

Hey Justin Hill (Assistant Attorney General) and Glen Andrew Hall (Commonwealth's Attorney),

I am Roberta Hill, Brian Hill's mother. I am sorry but we have to do this, Brian Hill is filing this (1) Amended Appellant's Motion for delayed appeal and (2) exhibits in support of that motion on Brian's behalf due to his federal probation conditions where he is not allowed to use the internet. He is having me file this pleading and exhibits on his behalf. This should serve the counsel for Appellees through email. This motion and exhibits will be filed via VACES with the Court of Appeals of Virginia.

You are obligated to review over the new audio recordings evidence my son Brian Hill has and is filing on the record. He had trust issues with his court appointed attorney Fred Smith when he refused to protect Brian's first amendment right to freedom of speech against Judge Greer and feared this contempt case was a conspiracy or plot to end his appeals, so he had used the one party consent recording statute, where he kept recordings and those recordings between Brian Hill and Fred Smith had proved you lied in your brief of the commonwealth. Fred said he spoke with you multiple times and claimed that you granted Brian an extension for his appeals due to the six month thing. Those are in the audio recordings, and you lied about all of that.

Here are the links to the evidence and copies were distributed to Q Anons, so you cannot stop this evidence with any suppression campaign. We are sorry to have to do this, but we cannot accept liars lying to the courts. We cannot accept that you would stoop down to lying about his contempt case situation.
