Jeanie Nunn,

My son Brian David Hill wants you to read his 2nd emergency request letter and respond to it as soon as possible. Wanting to know if the judge wanted a jury trial in that case. You would know if the judge entered anything on the record regarding setting the case for jury trial as Brian's attorney Fred Smith had claimed.

He has evidence proving that Attorney Fred Smith said to Brian last year that Brian would have faced a jury trial in his contempt of court case, that the judge had undertaken that decision.

Brian said that he may try to file this with the Court of Appeals of Virginia quickly so that the evidence cannot be snatched from him. Brian doesn't want to end up like Andrew Breitbart. He wants to make sure to put all evidence on the table so that he will be safe.

It is attached. Hope you have a wonderful day.

Thank you,
Roberta Hill
