At least file the documents in case. **CR19000009-00**. That way the documents are in there.

Those documents including that special letter should be filed in case no. **CR19000009-00** since the appeals from that case were purposefully fettered with by retaliation, and then manipulation from Attorney Fred Smith; and Brian knows who really retaliated over his notices of appeal last year, but it can only be speculation and conspiracy theory at this point. You were being used and probably were ordered behind-the-scenes to sign the contempt order to mask who really wanted to charge my son with contempt. That is all we are going to say.

**Please just file the special letter and the attached documents in the indecent exposure case file CR19000009-00, since his appeals were fettered with and Brian proven it by recording the conversations with his lawyer Fred Smith, it should be on record. Legally he is entitled to the truth coming out in the court of law by filing the documents. The truth must be in the record.** He recorded the conversations where he was told not to file anything in the Court of Appeals of Virginia, and because of that his appeals were dismissed while Fred lied about an extension of time being given by the Attorney General while he manipulated the Attorney General. The appeals were over case no. **CR19000009-00**.

Ms. Hill:

I have received the below email and the documents attached to the email. I have no authority to forward any of this to the Court of Appeals. The Contempt case against Mr. Hill CR19000009-01 was dismissed on October 23, 2023 and nothing was ever appealed on this case. There is no need to keep emailing me regarding the contempt case as I have advised you of all orders and documents that we have.

Sincerely,

Jeanie Nunn,  
case no. CR19000009-00

My son Brian David Hill wants you to file his special letter to get certain pleadings and even a copy of a CAV court order to be filed in his criminal case.

His letter is attached, and here are the links to the pleadings which can be downloaded and filed in consecutive order. Brian would like this on record so that

the Court of Appeals of Virginia can be notified that this court had been notified about Brian D. Hill's motion for delayed appeal for three appeals wrongfully dismissed by Attorney Fred Smith being the sole cause.

**As Brian's mother, I don't think Fred Smith should get away with causing my**

**son's appeals to be dismissed and dissolved. Fred lied to my son, lied to me over the phone and set up my son to fail. He lied to me and my son. Fred lied to Brian's grandparents. Fred deceived all of us when he was supposed to represent his client, my son. Brian wants this evidence about Fred Smith to be in the Circuit Court record. Brian is very angry at what Fred had done but is trying to handle this in a calm manner. Brian only wanted to be acquitted or pardoned. He wasn't even trying to make enemies with Judge Greer, and Brian never wanted the contempt case or anything. All he ever wanted from the beginning was to prove his innocence, and clear his name and move on. He didn't want to be blocked all of the time. I wish that Brian had never been put through all of this. A waste of taxpayers money to put Brian through years of all of this. We as a country are putting innocent people in prison and on probation. This is wrong. Supervised release is not about helping people but is about a pipeline to prison, an excuse to try to imprison people repeatedly for any little thing to create career criminals. It is a system of slavery. Probation is a criminal creating factory, and it needs to stop. The system creates criminals now, it is not fighting crime like it always proclaims.**

Thank you,

Roberta Hill
