To Virginia Indigent Defense Commission (VIDC),

CC: William Efird, Certification and Compliance Attorney,

1604 Santa Rosa Road, Suite 200,

(804) 662-7249 ext. 134,

*NOTE: Forgot letter from William Efird, Brian had attached the letter to notice of lawsuit.*

My son Brian David Hill is notifying you and the entire commission that he intends to file a lawsuit against you and your entire commission within 30 days of receiving my son's NOTICE OF LAWSUIT WARNING document/letter. He is intending to sue you for defamation for dismissing my son's complaint under false pretenses.

I have heard all five of my son's audio recordings and found William Efird's letter to be incorrect. Brian does have proof. His grandparents listened to the audio recordings. My son's complaint should not have been dismissed like this.

Brian will demand a jury trial to review over the evidence submitted to your commission to determine if the complaint was really groundless or not. A jury will see the evidence and may feel different than William does. They may make a finding that William made false statements about my son in order to dismiss his complaint.

Thanks,

Roberta Hill (assistant for electronic filing and online correspondence)
