Hey Jason,

We are going to visit Brian's granddad tomorrow. He is being moved to a rehab facility. He has less than a year to live. His wife was rushed to another hospital a couple days ago with a brain clot and had a stroke. She is being moved to hospice today, and has one day to a week to live. So both my dad and my stepmom are in bad shape.

Thanks for letting Brian go visit his granddad anytime. I just felt like I should let you know when we go to North Carolina to visit him.

Best Regards,
Roberta Hill

Absolutely. You may go visit him anytime. Hopefully he recovers very soon and comes home.

Hey Jason,

Brian's granddad is in the Alamance Hospital in Burlington, NC. Would it be okay if Brian visits him tomorrow? This will just be a day trip.

Thanks,
Roberta Hill
