LETTER TO U.S. PROBATION OFFICE REQUESTING AND/OR SUGGESTING BRIAN DAVID HILL BE A CANDIDATE FOR EARLY RELEASE/EARLY TERMINATION FROM SUPERVISED RELEASE

Monday, May 13, 2024 - 12:33 AM

ATTN: Jennifer K. Williams, Chief
Probation Officer, U.S. Probation Office
210 Franklin Road S.W.
Room 402
Roanoke, VA 24011

Phone: 540-857-5180

I, Brian David Hill, am requesting from the chief U.S. Probation Officer, to consider me a candidate for early termination/early release from supervised release for the following facts and reasons I am stating under penalty of perjury. I believe I am giving good reasons and good facts as to why my supervised release should be early terminated. Here they are:

(1) I have autism spectrum disorder, obsessive compulsive disorder, generalized anxiety disorder, type one brittle diabetes (also known as uncontrollable diabetes), gastrointestinal issues which means that I take probiotics. I am disabled living off of SSI disability from the Social Security Administration, and living on a Medicaid waiver by Virginia Department of Health and Human Services for a caretaker program to help take care of my needs on a day to day basis. I have never been charged with any violent crime.

(2) I am not a danger to the community because I have never raped, I have never molested, I have never groomed anybody for any sexual reason, I have never committed arson, I have never shoplifted, I have never murdered, I have never been charged with assault, I have never victimized anybody as nobody has ever accused me of victimizing them, nobody. I have no victims. Even the U.S. Probation Office has the evidence that I have been approved over a total of 10-20 or more requests to travel including both day trips and multi-day travel. A majority of those approvals were under Senior U.S. Probation Officer Jason McMurray. It will take me time to look through my records to compile a list of every approval from Mr. McMurray for every day travel approval. I have been approved for requests to travel for a lot of different places. If theoretically I was a danger to the community, these approvals never would have been granted or I would have been more restricted. My family has researched these emails to assist me in giving you the DATA proving my claims. My Probation Officer/Officers have approved
